**Attachment to National Fire & Marine Insurance Company's
Proof of Claim in *In re Laser Spine Surgery Center of Oklahoma, LLC*, Case No. 2019-CA-2780**

National Fire & Marine Insurance Company (“**Claimant**”) claims currently unliquidated amounts due from Laser Spine Surgery Center of Oklahoma, LLC (the “**Assignor**”) arising from the Claimant’s issuance of certain excess liability insurance policies issued to the Assignor and others, including but not limited to the following policies (the “**Policies**”):

<u>Policy No.</u>	<u>First Named Insured</u>	<u>Policy Period</u>
EN004806	Laser Spine Institute, LLC	03/01/2014 to 03/01/2015
EN004806	Laser Spine Institute, LLC	03/01/2015 to 03/01/2016
EN004806	Laser Spine Institute, LLC	03/01/2016 to 03/01/2017
EN004806	Laser Spine Institute, LLC	03/01/2017 to 03/01/2018
EN004806	LSI HoldCo LLC	01/01/2018 to 07/01/2019

The Policies include several different coverage parts, including but not limited to excess professional liability coverage. The Claimant is attaching as Exhibits 1 through 5, respectively, a copy of all declarations, schedules, forms, terms and conditions for each of the Policies listed above.

Under the Policies, the Claimant agreed to insure the Assignor and any additional named insureds in the respective Policies (collectively, the “**Insureds**”) on an excess basis during the respective policy periods, subject to specified limitations and conditions. Among other things, pursuant to the terms of the Policies, the Insureds have obligations to pay certain self-insured retention (“**SIR**”) amounts in the amount of \$1 million per claim up to \$6 million in the aggregate for all claims reported in the respective policy periods. Such SIR amounts are mandatory and may include both claims expenses (*i.e.*, defense costs) and indemnity payments (*i.e.*, judgments and settlements). The Policies define excess loss as “civil damages . . . which an Insured becomes legally obligated to pay through adjudication or settlement which exceed all applicable scheduled limits or any scheduled coverages.” Excess loss does not include “any damages which are not greater than the scheduled limit or any other applicable insurance.” Accordingly, the Claimant has no obligation to pay excess loss under a respective Policy unless and until the full SIR is satisfied with respect to any given claim.

Furthermore, the Policies state that the limits of insurance applicable to any SIR listed in the Schedule of Underlying Insurance may not be reduced or exhausted for any reason other than **payment** of

covered judgments or settlements and associated claims expenses where claims expenses actually paid by the Insureds reduces the SIR. To the best of Claimant's knowledge, the Insureds have not paid the SIR under any of the Policies on either a per claim or aggregate basis. To the extent that Claimant has paid or will be required to pay any claims expenses or indemnity without the Insureds' actual satisfaction of the SIR, Claimant asserts a claim against the Assignor arising from the Assignor's contractual obligations under the Policies and all indemnification, subrogation, and other common law rights that Claimant has to recover from the Assignor for such amounts.

To the extent that Soneet Kapila (the "**Assignee**"), as assignee of the Assignor's assets (the "**Assignor's Estate**"), asserts claims against the Claimant of any kind, the Claimant reserves the right to assert that such claims are subject to rights of setoff or recoupment. To the extent that the Assignee, Assignor, the Assignor's Estate, or any other party asserts any claims against the Claimant that would give rise to any counterclaim, cross-claim or other claim against the Assignee, Assignor, the Assignor's Estate, or any other party, the Claimant reserves all rights to assert such claims.

The Claimant reserves the right to (i) amend, clarify, modify, update or supplement this Proof of Claim at any time in any respect, including without limitation to assert additional claims and requests for payment or additional grounds for its claims, or to specify the amount of the Assignor's contingent, unmatured or unliquidated claims as they become, non-contingent, matured or liquidated; (ii) file additional proofs of claim at any time and in any respect; or (iii) file a request for payment of administrative or priority expense in accordance with § 727.114, Fla. Stat. By virtue of the filing of this Proof of Claim, the Claimant does not waive and hereby expressly reserves its right to pursue claims and requests for payment, including, but not limited to, the claims and requests for payment described herein against the Assignor or the Assignor's Estate based upon alternative legal theories.

By filing this Proof of Claim, the Claimant does not waive, and specifically preserves, its procedural and substantive defenses to any claim that may be asserted against it by the Assignee, Assignor, the Assignor's Estate, or any other party. The Claimant also reserves all rights accruing to it against the Assignee, Assignor, the Assignor's Estate, or any other party, and the filing of this Proof of

Claim is not intended to be and shall not be considered as (a) an election of remedies, or (b) a waiver or limitation of any rights of the Claimant. The Claimant reserves the right to withdraw this Proof of Claim with respect to any claims for any reason whatsoever.

This Proof of Claim shall not be deemed to be a waiver of the Claimant's rights (i) to trial by jury in any proceeding so triable in this case or any case, controversy, or proceeding related to this case, or (ii) to any other rights, claims, actions, setoffs, or recoupments to which the Claimant is or may be entitled, in law or in equity, all of which rights, claims, actions, defenses, setoffs, and recoupments the Claimant expressly reserves.

The **company** will have no duty to pay **loss** or **claims expense** for any **claim** or **potential claim** unless the **insured** or any other organization responsible for the Maintenance Retention timely pays the Maintenance Retention in full.

However, the **claim** must have been first made against an **insured** during the **policy period**, or the **potential claim** must have been first discovered by an **insured** during the **policy period**.

- b. This automatic limited **extended reporting period** shall not extend the **policy period** or change the scope of the coverage provided. Any **claim** or **potential claim** first reported to the **company** during the automatic limited **extended reporting period** will be deemed to have been made on the last date on which this policy is in effect. The Limits of Liability that apply at the end of the **policy period** are not renewed or increased for **claims** or **potential claims** first reported during the automatic limited **extended reporting period**.

2. Optional Extended Reporting Period

The **first named insured** may accept the ~~... .. offer of an~~ **extended reporting period** by paying the premium due within 30 days from either the date on which the policy expires or the date on which the **company** receives the request for an **extended reporting period**, whichever is later. Failure to pay the full premium within this 30-day period will be deemed a rejection of the offer.
- c. In the event of the purchase of an **extended reporting period**, the entire premium for such **extended reporting period** shall be deemed earned at its commencement.
- d. If an **extended reporting period** is purchased, a **claim** or **potential claim** otherwise covered by this policy may be reported for the period of time set forth in the applicable **extended reporting period** endorsement issued after termination of the **policy period**. The **extended reporting period** will begin at the end of the **policy period**. However, the **extended reporting period** shall not:
 - (1) extend the **policy period**;
 - (2) apply to any **claim** or **potential claim** that took place after the **policy period**; or
 - (3) otherwise expand the coverage provided under this policy.

J. GOVERNMENTAL ACCESS TO RECORDS

If required by section 952 of the Omnibus Reconciliation Act of 1980, and after receipt of written request from the

first named insured, the **company** will allow the U.S. Secretary of Health and Human Services or the U.S. Comptroller General access to this policy as well as all books, documents and records necessary to verify the cost of this policy. The **company** will also allow access to subcontracts between the **company** and any of its related

The **company** shall be permitted, at its own discretion and for its own benefit, to audit an **insured's** property, operations, and any business records. The **company** shall also have the right to obtain a copy of any current or prior insurance records. Any findings or recommendations made by the **company** as a result of an audit shall inure only to the **company's** benefit. As a result, they may not be used as evidence of the **company's** compliance with any safety regulations or other industry standards.

L. MAINTENANCE OF UNDERLYING COVERAGES, TERMINATION AND RENEWAL

1. The limits of liability of the **underlying coverage** must be maintained in full effect during the **policy period**, except for any reduction or exhaustion of such limits of liability solely by reason of actual payment of a claim covered by the **underlying coverage**. Failure to comply with this condition will not invalidate this policy; however, the **company** will not be liable under this policy to any greater extent than it would have been had there been full compliance with this condition. If any **underlying coverage** is not maintained, or the company or other entity which issued the **underlying coverage** is unable to pay or has filed for bankruptcy or has become insolvent, the **insured** will be deemed to be self-insured for the limits of liability of such **underlying coverage**. The insolvency of, or filing of bankruptcy or non-payment by the company or entity issuing any **underlying coverage** shall not act to modify any duty owed by the **company** under this policy. Under no circumstances will such insolvency, bankruptcy or non-payment require the **company** to assume, or in any way be responsible for any **underlying coverage**, or otherwise assume any obligation owed by any **insured** under this policy. Notwithstanding anything to the contrary in this policy, all coverage under this policy will be void from its inception in the event that any **underlying coverage** is rescinded by agreement or legal process for fraud or other material misrepresentation by the **insured**.
2. Unless specifically indicated in any endorsement, this policy shall not drop down for any reason other than the exhaustion of the limits of liability of the **underlying coverages**, including without limitation the inability to collect (in whole or in part) any limits of liability of the **underlying coverage**. The risk of any inability to collect any limits of liability (in whole or in part) whether by reason of financial impairment or insolvency of any issuer of any **underlying coverage** or for any other reason, is expressly retained by the **insured** and is not insured or assumed by the **company**.
3. In the event of a material modification to any **underlying coverage** by endorsement or otherwise, the coverage under this policy will become subject to such modification, only if, and to the extent that, the **company** consents to such modification by written agreement.
4. If any **underlying coverage** is terminated during the term of this policy, the **first named insured** shall notify the **company** of such termination immediately, along with the particulars and details and a copy of any notice of termination received.

M. MODIFICATIONS

Except as provided herein, this policy may not be modified except by written endorsement attached to and made a part of this policy by the **company**. The **company's** decision not to insist on an **insured's** compliance with any provision of this policy shall not operate to waive, modify, or void that provision, or any other provision, condition or term of this policy.

N. NON-ASSIGNABILITY

No interest of an **insured** under this policy shall be assignable without the prior written consent of the **company**. However, if the **insured** is a person and dies, the coverage afforded by this policy shall inure to the benefit of that **insured's** estate.

O. OTHER INSURANCE

1. If any other valid and collectible insurance is available to any **insured** with respect to a liability covered by this policy, and such insurance is afforded under a policy issued by a past, present or future parent, subsidiary or affiliate of the **company**, then the maximum limits of liability under all policies shall not exceed the highest

remaining applicable limit of liability under any one policy;

2. If any other valid and collectible insurance is available to any **insured** for a **claim** or **potential claim** under a policy not issued by a past, present or future parent, subsidiary or affiliate of the **company**, then this insurance will be excess over such other insurance even if such other insurance is stated to be primary, excess, contingent or otherwise. The **company** will pay only the ~~... share of the loss~~, if any, that exceeds the sum of:
 - a. the **underlying coverage** or Maintenance Retention;
 - b. the total amount that all such other insurance would pay for the **loss** in the absence of this insurance; and
 - c. the total of all deductible and self-insured amounts under all such other insurance.
3. This condition shall not apply if such other valid insurance is written to be specifically excess of this policy.

P. PREMIUMS

1. The ~~... obligation~~ to perform any duty under the policy is strictly conditioned upon the payment of the premium when due. Therefore, this policy shall not be deemed to have been issued, delivered, or renewed and shall not be applicable to any matter which would otherwise be covered herein, until:
 - a. the premium has been paid in full; or
 - b. if the **company** has agreed to finance the policy, the first installment has been paid in full.

If ~~... ..~~
~~... ..~~

2. Premiums for this policy shall be computed in accordance with the ~~... ..~~ **rules, rates**, and rating plans.
3. Any premium designated as deposit premium is merely a deposit on the actual amount owed. At the close of the **policy period**, the **company** will compute the earned premium for that period. The deposit premium will then be credited to that amount. If the deposit premium exceeds the earned premium, the **company** will refund the difference to the **first named insured**. If the earned premium exceeds the deposit premium, the **company** will bill the **first named insured** for the difference.
4. The **first named insured** shall maintain records of the information necessary for premium computation. The **first named insured** shall send copies of these records to the **company** at the end of the **policy period** as directed by the **company**. Such information shall be subject to audit and verification by the **company**.

Q. REPORTING REQUIREMENTS

1. The ~~... ..~~ **duty to defend** and pay **loss** for any **claim** or **potential claim** otherwise covered under this policy is strictly conditioned upon an ~~... ..~~ **forwarding**, as soon as practicable, notice of every **claim, potential claim**, demand, suit, summons, or legal paper the **insured** receives that:

- b. in writing; and
- c. include the following information:
 - (1) the identity of all **insureds** implicated;
 - (2) all reasonably obtainable information with respect to the time, place and circumstances of the **health care event, event**, offense or other matter for which coverage is sought under this policy;

3. A **health care event, event**, offense, accident or other matter reported to the **company** as part of risk management or loss control services shall not constitute the report of a **claim** or **potential claim** for purposes of coverage under this policy.

R. REPRESENTATIONS

1. By acceptance of this policy, each **insured** agrees, represents, and warrants that the statements and particulars made in all **applications** are true and correct. It is further understood and agreed that any **application** is incorporated into, and shall form a part of, this policy. Therefore, this policy and any endorsements hereto, and all **applications**, embody all agreements between the **company** and any of its authorized representatives, and all **insureds** relating to this insurance.
2. In the event any **application** was executed or endorsed by an ~~insurance~~ **insurance** producer, the **insured** acknowledges that the insurance producer has acted under the ~~express~~ **express** authority and that the **insured** has thoroughly reviewed the information contained on any **application**.
3. The representations made by an **insured** in the **applications** are the basis for the coverage provided, as well as the ~~company~~ **company** ~~of the applicable premium~~. Therefore, it is understood and agreed that, to the extent permitted by law, the **company** reserves all rights, including the right to rescind this policy, or deny any coverage provided for a **claim** or **potential claim**, based upon any material misrepresentation made by any **insured** ~~omission or fraud which, if known by the company, would have led to refusal by the company to make this contract or provide coverage, or to make this contract or provide coverage on different terms or conditions.~~
4. No knowledge or information possessed by any **insured** shall be imputed to any other **insured**, except for material facts or information known to the person or persons who signed the **application**. In the event of any material misrepresentation in connection with any of the particulars or statements in the **application**, this policy shall be void with respect to any **insured** who knew of such material misrepresentation or to whom such knowledge is imputed.

S. SEPARATION OF INSURED

Except for any duties specifically assigned to the **first named insured** and Limits of Liability applicable to any **insured**, this policy applies:

1. separately to each **insured** against whom a **claim** or **potential claim** is made; and
2. as if each **insured** were the only **insured** under this policy.

V. TERMINATION DATES

If a **named insured** or **location** has a date listed under the Termination Date column in a Schedule of Named Insureds, any **health care event, event** or offense must have taken place before that date, and after any applicable Retroactive Date, to be covered under the applicable Coverage Part. However, coverage for such **named insured** or **location** shall automatically terminate in the event that the policy is canceled or nonrenewed, unless an **extended reporting period** is purchased for that **named insured** or **location** under the applicable Coverage Part.

W. TERMS CONFORM TO STATUTE OR REGULATION

If any term of this policy, or any duty arising therefrom, would cause the **company** to violate any federal, state or local law or regulation, the policy is amended to bring the **company** into compliance with such statute or regulation.

X. UNDERLYING SUBLIMITS

If any **loss** or **claims expense** covered under any **underlying coverage** is subject to a sublimit, then this policy provides no coverage excess of such sublimit unless that sublimit is scheduled on the Schedule of Underlying Coverage. However, if the **underlying coverage** provides that payment of such sublimit reduces and can exhaust the **scheduled limit**, then this policy will also provide that the **scheduled limit** can be reduced and exhausted by payments of any such sublimit.

EXCESS POLICY GUIDE

This Policy Guide has been developed to describe how your policy is formatted. This guide does not change any of the terms and conditions contained in the policy.

Your policy consists of the following items:

The Declarations: This page designates the first named insured, the policy number, the policy period, the coverages selected, the total premium, and the producer.

Schedules of Underlying Insurance: These schedules list the liability coverage(s) over which this policy will provide excess coverage.

Schedule of Insureds: These schedules define your coverage by designating who will be insured under a particular Insuring Agreement and what limits of liability will apply. If an Insuring Agreement is attached to your policy without a corresponding Schedule of Insureds, there is no coverage under that Insuring Agreement.

Insuring Agreements: These documents define the scope of the particular coverage that is being provided and any unique provisions (Additional Definitions, Additional Conditions, etc.) that will apply to it. For example, they indicate the types of claims that are covered and who is eligible to request indemnity under the policy. However, as mentioned above, these Insuring Agreements only provide coverage when attached to a corresponding Schedule of Insureds.

Defense and Supplemental Payments: If a claim or potential claim is covered under one of the Insuring Agreements, our Company may have a duty to pay supplemental damages on the Insured's behalf. This form defines the scope of our duty to pay those damages, and what duties the Company has, if any, to defend an Insured in the event of a claim.

General Definitions: This form contains the definitions that apply to every Insuring Agreement under your policy, unless otherwise noted. Additional or alternative definitions can be found within the definitions section of the relevant Insuring Agreement. Each word or phrase listed in **bold print** has been specifically defined within the policy. If a word has not been bolded, then its commonly understood meaning will apply.

General Exclusions: This form contains exclusions that apply to every Insuring Agreement under your policy, unless otherwise noted. Additional exclusions may also be found within the *ADDITIONAL EXCLUSIONS* section of the relevant Insuring Agreement.

General Conditions: This form defines the general duties our Company and the Insureds owe to each other under the terms of this policy contract, such as the requirements for reporting claims, the duty to maintain underlying insurance, the duties of the first named insured, etc.

Endorsements: Endorsements modify the terms and conditions of all or part of the policy and become a part of your policy. If an endorsement modifies one or more parts of the policy, but less than the entire policy, the endorsement will specify which parts of the policy are modified. It is important to understand that this is also the only method by which the terms and conditions of your policy can be altered.

If you have any questions regarding a particular provision or the coverage that is being provided to you, please contact your producer. We appreciate your patronage.

EXCESS PROFESSIONAL LIABILITY INSURING AGREEMENT (CLAIMS-MADE)

NOTICE:

**This Insuring Agreement contains claims-made and reported coverage.
Please read this policy carefully.**

In consideration of the payment of the premium due, and in reliance upon the representations of all **Insureds**, the **Company** and the **Insureds** agree as follows, subject to the terms and conditions of this policy, including the applicable limits of liability:

I. INSURING AGREEMENT - EXCESS LOSS

- A. The **Company** will pay, on behalf of any **scheduled excess professional liability insured**, including agents, all **excess loss** arising from a **health care event**. However, the **health care event** must have resulted from professional services rendered, or which should have been rendered, while the **scheduled excess professional liability insured** was employed by, or under contract with, any **scheduled excess professional liability insured**. For coverage to exist, the **excess loss** must also arise from an event that took place on or after the **retroactive date**. In addition, the **excess loss** must arise from a **claim** that was **first reported** during the **policy period**.
- B. All **claims** arising out of the same **health care event** will be deemed to have been made at the time the first such **claim** is made against any **Insured**. Only the policy in effect when the first such **claim** is made and reported to the **Company** in writing will apply to all related **claims** no matter when those related **claims** are made or reported. If the first such **claim** is made prior to the effective date of this policy, this policy will not apply to that **claim** nor to any related **claim** made during this **policy period** or any **extended reporting period**.

II. WHO IS INSURED

For the purposes of this Insuring Agreement, an **Insured** is:

- A. a **scheduled excess professional liability insured**;
 - B. a **new excess professional liability insured**; or,
 - C. an **agent**
- as defined below.

III. ADDITIONAL DEFINITIONS

In addition to the Excess General Definitions, the following definitions are added to this Insuring Agreement:

- A. **Scheduled excess professional liability insured** means any person or entity that is listed on the Schedule of Excess Professional Liability Insureds. A **scheduled excess professional liability insured** shares in the limits provided to the **first named insured**.
- B. **New excess professional liability insured** means an entity formed or acquired by the **scheduled excess professional liability insured** during the **policy period**, over which the **scheduled excess professional liability insured** maintains at least majority ownership.
 - 1. A **new excess professional liability insured** is not covered:
 - a. after 60 days have elapsed from the date the entity was formed or acquired by the **scheduled excess professional liability insured**; or,
 - b. for an **excess loss** or **health care event** that occurred before the entity was formed or acquired by the **scheduled excess professional liability insured** or after the **policy period**.
 - 2. A **new excess professional liability insured** shares the coverage provided to the **scheduled excess professional**

liability insured, including its limits of liability.

C. Agent

1. **Agent** means a person who was acting within the scope of his or her duties as:
 - a. an **employee, administrator, committee member, or student** of the **scheduled excess professional liability insured** at the time of the **health care event**; or,
 - b. a trustee, assign, or legal representative of the **scheduled excess professional liability insured** or of a person described in C.1.a. above in the event of bankruptcy, incapacity, or death.
2. An **agent** shares the coverage provided to the **scheduled excess professional liability insured**, including its limits of liability and any applicable restrictions.
3. An **agent** is not, however, an **Insured**, when the **agent** has other valid and collectible insurance to cover the **claim**.
4. As used to define an **agent**, above:
 - a. **employee** means any person employed by, or under contract with, the **scheduled excess professional liability insured** at the time of the **health care event**. It includes any authorized volunteer worker, **administrator, committee member or student**. **Employee** does not include:
 - (1) physician or dentist, including residents; or,
 - (2) certified registered nurse anesthetist, nurse midwife, nurse practitioner, physician's assistant, podiatrist, or surgical assistant.

- J. any liability for the acts of another assumed by the **Insured** under any contract or agreement, whether written or oral, which shall include any hold harmless or indemnification agreement entered into by the **Insured**, provided that this exclusion shall not serve to exclude coverage to any third party for any liability imposed upon such third party solely as the result of the **Insured's** rendering of, or failure to render, **professional services**.

V. LIMITS OF LIABILITY

PER EVENT LIMIT

The **Company's** duty to pay excess loss on behalf of a **scheduled excess professional liability insured** for any **health care event** covered under this Insuring Agreement shall not exceed the Per Event Limit of Liability shown for Excess Professional Liability on the Schedule of Excess Professional Liability Insureds. - c. The **Company** shall be required to offer an **extended reporting period** only if the **first named insured** has purchased an **extended reporting period** for all **scheduled coverages** that provide coverage on a claims-made basis.
2. If the **first named insured** accepts the offer of the **extended reporting period**, all **scheduled excess professional liability insureds** that were afforded coverage by this policy shall be included in the **extended reporting period**. However, the **Company** has no duty to offer a separate **extended reporting period** to any **scheduled excess professional liability insured** or any other **Insured**. In addition, the **Company** has no duty to inform any **scheduled excess professional liability insured** or any other **Insured** whether the **first named insured** has accepted its offer.
3. Failure to pay the full premium within this 30-day period will be deemed a rejection of the offer.
4. If purchased, the **extended reporting period** will begin at the end of the **policy period** and shall not reinstate the limits of liability of this Insuring Agreement. Thereafter, any **claim** against a **scheduled excess professional liability insured**, which is otherwise covered by the policy, may be reported for an unlimited duration. However, the **Company** may, at its discretion, investigate any event and settle any claim or suit. The amount the **Company** will pay for damages is limited as described in the *LIMITS OF LIABILITY – ALL EXCESS COMMERCIAL LIABILITY COVERAGES* section. - C. **Bodily injury** or **property damage**, which occurs during the **policy period** and was not, prior to the **policy period**, known to have occurred by a **scheduled excess insured business** or agent authorized by the **scheduled excess insured business** to give or receive notice of an event. This includes any continuation, change, or resumption of that **bodily injury** or **property damage** after the **policy period**.
- D. **Bodily injury** or **property damage** will be deemed to have been known to have occurred at the earliest time when any **scheduled excess insured business** or agent authorized by the **scheduled excess insured business** to give or receive notice of an event:
1. reports all, or any part, of the **bodily injury** or **property damage** to the **Company** or any other insurer;
 2. receives a written or verbal demand or claim for damages because of the **bodily injury** or **property damage**;

The **Company** will pay only the **Company's** share of the **excess loss**, if any, that exceeds the sum of:
 - a. the total amount that all such other insurance would pay for the **excess loss** in the absence of this insurance; and,
 - b. the total of all deductible and self-insured amounts under all such other insurance.
3. If the **Insured** has such other insurance that applies on the same basis, whether excess or primary, the **Company's** liability for **excess loss** shall not exceed:
 - a. the amount that would be payable if each insurer contributed by equal shares until the lowest limit contained in any applicable policy was exhausted or the entire **excess loss** was paid, whichever occurred first. This method shall only apply if any applicable policy does not provide for contribution by equal shares.
4. The **Company** will have no duty to defend the **Insured** against any suit if any other insurer has a duty to defend the **Insured** against that suit. If no other insurer defends, the **Company** will undertake to do so, but the **Company** will be entitled to all of the **Insured's** subrogation rights against all those other insurers to the extent of any payments made, or as allowed by law.

2. The limits of insurance applicable to the policies listed on the Schedule of Underlying Insurance may not be reduced or exhausted for any reason other than the payment of judgments or settlements which would be covered by the provisions of this policy.
3. The limits of insurance applicable to any Self Insured Retention (SIR) listed in the Schedule of Underlying Insurance may not be reduced or exhausted for any reason other than the payment of judgments or settlement which would be covered by the provisions of this policy and **claims expense** associated with those payments, if **claims expense** depletes the SIR.
4. If the **Insured** fails to maintain or meet all terms and conditions of a **scheduled coverage** or if the company, trust or other entity providing the **scheduled coverage** shall become insolvent, the **Company's** duty to pay **excess loss** will apply as if the **scheduled coverage** had been so maintained.

4. If the **first named insured** cancels this policy, or terminates any coverage contained therein, earned premium shall be computed in accordance with the standard short rate tables and procedure. If the **Company** cancels this policy, or terminates any coverage contained therein, earned premium shall be computed pro rata. Premium adjustments shall be made within a reasonable period of time after cancellation. However, payment or tender of unearned premium shall not be a condition of cancellation.
5. If the **Company** cancels or nonrenews an **Insured's** policy for any reason other than non-payment of premium, the **Company** shall provide written notice to the **first named insured** not less than thirty (30) days prior to the effective date of such cancellation or nonrenewal. If the **Company** cancels an **Insured's** policy for nonpayment of premium, the **Company** shall provide written notice to the **first named insured** not less than ten (10) days prior to the effective date of such cancellation or nonrenewal.
6. If the **Company** cancels or nonrenews an **Insured's** policy, the **Insured's** coverage under that policy shall terminate on the earlier of:
 - a. the date stated on the cancellation or nonrenewal notice; or,

EXCESS POLICY GUIDE

This Policy Guide has been developed to describe how your policy is formatted. This guide does not change any of the terms and conditions contained in the policy.

Your policy consists of the following items:

The Declarations: This page designates the first named insured, the policy number, the policy period, the coverages selected, the total premium, and the producer.

Schedules of Underlying Insurance: These schedules list the liability coverage(s) over which this policy will provide excess coverage.

Schedule of Insureds: These schedules define your coverage by designating who will be insured under a particular Insuring Agreement and what limits of liability will apply. If an Insuring Agreement is attached to your policy without a corresponding Schedule of Insureds, there is no coverage under that Insuring Agreement.

Insuring Agreements: These documents define the scope of the particular coverage that is being provided and any unique provisions (Additional Definitions, Additional Conditions, etc.) that will apply to it. For example, they indicate the types of claims that are covered and who is eligible to request indemnity under the policy. However, as mentioned above, these Insuring Agreements only provide coverage when attached to a corresponding Schedule of Insureds.

Defense and Supplemental Payments: If a claim or potential claim is covered under one of the Insuring Agreements, our Company may have a duty to pay supplemental damages on the Insured's behalf. This form defines the scope of our duty to pay those damages, and what duties the Company has, if any, to defend an Insured in the event of a claim.

General Definitions: This form contains the definitions that apply to every Insuring Agreement under your policy, unless otherwise noted. Additional or alternative definitions can be found within the definitions section of the relevant Insuring Agreement. Each word or phrase listed in **bold print** has been specifically defined within the policy. If a word has not been bolded, then its commonly understood meaning will apply.

General Exclusions: This form contains exclusions that apply to every Insuring Agreement under your policy, unless otherwise noted. Additional exclusions may also be found within the *ADDITIONAL EXCLUSIONS* section of the relevant Insuring Agreement.

EXCESS PROFESSIONAL LIABILITY INSURING AGREEMENT (CLAIMS-MADE)

NOTICE:

**This Insuring Agreement contains claims-made and reported coverage.
Please read this policy carefully.**

In consideration of the payment of the premium due, and in reliance upon the representations of all **Insureds**, the **Company** and the **Insureds** agree as follows, subject to the terms and conditions of this policy, including the applicable limits of liability:

I. INSURING AGREEMENT - EXCESS LOSS

- A. The **Company** will pay, on behalf of any **scheduled excess professional liability insured**, including agents, all **excess loss** arising from a **health care event**. However, the **health care event** must have resulted from professional services rendered, or which should have been rendered, while the **scheduled excess professional liability insured** was employed by, or under contract with, any **scheduled excess professional liability insured**. For coverage to exist, the **excess loss** must also arise from an event that took place on or after the **retroactive date**. In addition, the **excess loss** must arise from a **claim** that was **first reported** during the **policy period**.
- B. All **claims** arising out of the same **health care event** will be deemed to have been made at the time the first such **claim** is made against any **Insured**. Only the policy in effect when the first such **claim** is made and reported to the **Company** in writing will apply to all related **claims** no matter when those related **claims** are made or reported. If the first such **claim** is made prior to the effective date of this policy, this policy will not apply to that **claim** nor to any related **claim** made during this **policy period** or any **extended reporting period**.

II. WHO IS INSURED

For the purposes of this Insuring Agreement, an **Insured** is:

- A. a **scheduled excess professional liability insured**;
 - B. a **new excess professional liability insured**; or,
 - C. an **agent**
- as defined below.

III. ADDITIONAL DEFINITIONS

In addition to the Excess General Definitions, the following definitions are added to this Insuring Agreement:

- A. **Scheduled excess professional liability insured** means any person or entity that is listed on the Schedule of Excess Professional Liability Insureds. A **scheduled excess professional liability insured** shares in the limits provided to the **first named insured**.
- B. **New excess professional liability insured** means an entity formed or acquired by the **scheduled excess professional liability insured** during the **policy period**, over which the **scheduled excess professional liability insured** maintains at least majority ownership.
 - 1. A **new excess professional liability insured** is not covered:
 - a. after 60 days have elapsed from the date the entity was formed or acquired by the **scheduled excess professional liability insured**; or,
 - b. for an **excess loss** or **health care event** that occurred before the entity was formed or acquired by the **scheduled excess professional liability insured** or after the **policy period**.
 - 2. A **new excess professional liability insured** shares the coverage provided to the **scheduled excess professional**

liability insured, including its limits of liability.

C. Agent

1. **Agent** means a person who was acting within the scope of his or her duties as:
 - a. an **employee, administrator, committee member, or student** of the **scheduled excess professional liability insured** at the time of the **health care event**; or,
 - b. a trustee, assign, or legal representative of the **scheduled excess professional liability insured** or of a person described in C.1.a. above in the event of bankruptcy, incapacity, or death.
2. An **agent** shares the coverage provided to the **scheduled excess professional liability insured**, including its limits of liability and any applicable restrictions.
3. An **agent** is not, however, an **Insured**, when the **agent** has other valid and collectible insurance to cover the **claim**.
4. As used to define an **agent**, above:
 - a. **employee** means any person employed by, or under contract with, the **scheduled excess professional liability insured** at the time of the **health care event**. It includes any authorized volunteer worker, **administrator, committee member or student**. **Employee** does not include:
 - (1) physician or dentist, including residents; or,
 - (2) certified registered nurse anesthetist, nurse midwife, nurse practitioner, physician's assistant, podiatrist, or surgical assistant.
 - b. **administrator** means an owner, partner, stockholder, director, trustee, executive officer, medical director, department head, or faculty member of the **scheduled excess professional liability insured**.
 - c. **committee member** means a person serving as a member of a committee or board formed or controlled by the **scheduled excess professional liability insured**. It also includes any person executing the directives of such a committee or board.
 - d. **student** means an unlicensed person, other than a resident, enrolled in a licensed or accredited training program operated by the **scheduled excess professional liability insured** relative to the delivery of professional services.

IV. ADDITIONAL EXCLUSIONS

In addition to any exclusions listed in the Excess General Exclusions, this Insuring Agreement does not apply to:

- A. any **claim** that was **first reported** by, or on behalf of, any **Insured** prior to the **policy period**;
- B. any **claim** arising from, or in connection with, any **professional services** rendered, or which should have been rendered, outside of the **scheduled excess professional liability insured's** employment, or contract for services with any **Insured** listed on the Schedule of Excess Professional Liability Insured's as a **scheduled excess professional liability insured**. This exclusion shall not apply to **professional services** rendered, or which should have been rendered, by a **scheduled excess professional liability insured** at the scene of an accident without expectation of monetary compensation;
- C. any **claim** arising from, or in connection with, an **Insured's** ownership, supervision or management of any organization, partnership, joint venture, or other business enterprise that is not a **scheduled excess professional liability insured**;
- D. any **claim** arising from, or in connection with, **treatment** rendered, or which should have been rendered, by an **administrator or committee member** unless it was provided in an emergency without an expectation of compensation;
- E. any **business practices claim**;
- F. any **employment practices claim**;

- G. any **product liability claim**;
- H. liability for the acts of another assumed by an **Insured** under any contract or agreement, except as otherwise noted in this policy;
- I. any **claim** seeking to impose liability under the Employee Retirement Income Security Act of 1974 (ERISA), or any amendment or regulation that applies thereto; or,
- J. any liability for the acts of another assumed by the **Insured** under any contract or agreement, whether written or oral, which shall include any hold harmless or indemnification agreement entered into by the **Insured**, provided that this exclusion shall not serve to exclude coverage to any third party for any liability imposed upon such third party solely as the result of the **Insured's** rendering of, or failure to render, **professional services**.

V. LIMITS OF LIABILITY

PER EVENT LIMIT

The **Company's** duty to pay excess loss on behalf of a **scheduled excess professional liability insured** for any **health care event** covered under this Insuring Agreement shall not exceed the Per Event Limit of Liability shown for Excess Professional Liability on the Schedule of Excess Professional Liability Insureds. This limit shall apply regardless of the number of:

1. persons who sustain injury;
2. claimants;
3. **claims**;
4. policies issued by the **Company**; or,
5. **Insureds** who share the Per Event limit.

AGGREGATE LIMIT

The **Company's** duty to pay excess loss on behalf of all **scheduled excess professional liability insureds** for all **health care events** covered under this Insuring Agreement shall not exceed the Aggregate Limit of Liability shown for Excess Professional Liability on the Schedule of Excess Professional Liability Insureds. This limit shall apply regardless of the number of:

1. **health care events**;
2. persons who sustain injury;
3. claimants;
4. **claims**;
5. policies issued by the **Company**; or,
6. **Insureds** who share the Aggregate limit.

VI. ADDITIONAL CONDITIONS

In addition to the conditions contained in the Excess General Conditions, the following conditions apply to this Insuring Agreement:

A. Settlement.

The **Company** may pay any excess loss as it deems expedient, unless prohibited by statute, regulation, rule or order, after first providing written notice to the **first named insured**.

B. Extended Reporting Period Option.

Purchase of an **extended reporting period**:

1. If the entire policy is canceled or nonrenewed, the **Company** shall, upon written request by or on behalf of the **first named insured**, make an offer for an **extended reporting period**.
 - a. Any such written request by or on behalf of the **first named insured** must be received by the **Company** within 30 days of the expiration of the policy.
 - b. The **Company** shall be required to offer an **extended reporting period**, if requested, only to the **first named**

insured for all risks covered under the policy.

- c. The **Company** shall be required to offer an **extended reporting period** only if the **first named insured** has purchased an **extended reporting period** for all **scheduled coverages** that provide coverage on a claims-made basis.
2. If the **first named insured** accepts the offer of the **extended reporting period**, all **scheduled excess professional liability insureds** that were afforded coverage by this policy shall be included in the **extended reporting period**. However, the **Company** has no duty to offer a separate **extended reporting period** to any **scheduled excess professional liability insured** or any other **Insured**. In addition, the **Company** has no duty to inform any **scheduled excess professional liability insured** or any other **Insured** whether the **first named insured** has accepted its offer.
3. The **first named insured** may accept the **Company's** offer of an **extended reporting period** by paying the premium due within 30 days from either the date on which the policy expires or the date on which the **Company** receives the request for an **extended reporting period**, whichever is later. Failure to pay the full premium within this 30-day period will be deemed a rejection of the offer.
4. If purchased, the **extended reporting period** will begin at the end of the **policy period** and shall not reinstate the limits of liability of this Insuring Agreement. Thereafter, any **claim** against a **scheduled excess professional liability insured**, which is otherwise covered by the policy, may be reported for an unlimited duration. However, the **extended reporting period** shall not:
 - a. extend the **policy period**;
 - b. apply to any **claim** arising from a **health care event** that took place after the **policy period**; or,
 - c. otherwise expand the coverage provided under this policy.

I. INSURING AGREEMENT—COVERAGE A: BODILY INJURY AND PROPERTY DAMAGE

- A. The **Company** will pay those sums that the **scheduled excess insured business** including its **agents** becomes legally obligated to pay as **excess loss** because of **bodily injury** or **property damage** to which this insurance applies. The **Company** will have no duty to defend the **Insured** against any **suit** seeking those damages. However, the **Company** may, at its discretion, investigate any **event** and settle any **claim** or **suit**. The amount the **Company** will pay for damages is limited as described in the *LIMITS OF LIABILITY – ALL EXCESS COMMERCIAL LIABILITY COVERAGES* section. This includes any continuation, change, or resumption of that **bodily injury** or **property damage** after the **policy period**.
- D. **Bodily injury** or **property damage** will be deemed to have been known to have occurred at the earliest time when any **scheduled excess insured business** or **agent** authorized by the **scheduled excess insured business** to give or receive notice of an **event**:
1. reports all, or any part, of the **bodily injury** or **property damage** to the **Company** or any other insurer;
 2. receives a written or verbal demand or **claim** for damages because of the **bodily injury** or **property damage**;

As a result, they may not be used as evidence of the **Insured's** compliance with any safety regulations or other industry standards.

F. Other Insurance.

Unless otherwise noted in an Insuring Agreement:

1. If any other valid and collectible insurance is available to any **Insured** with respect to any liability arising from a **claim** or suit which is covered by this policy, and such other insurance is afforded under a policy or **extended reporting period** issued by a past, present or future parent, subsidiary or affiliate of the **Company**:
 - a. if the **Insured** has secured coverage from the **Company** or any of its affiliates on a **non-standard policy**, then the **Company's** duty to pay **excess loss** will be confined to the **non-standard policy**;
 - b. if subsection (a) does not apply, and an **Insured** is named as a specific named insured under any other valid and collectible insurance available to that **Insured**, then any duty to pay **excess loss** is confined to the policy where the **Insured** is specifically named;
 - c. if neither subsection (a) nor (b) above apply, any duty to pay **excess loss** will be confined to the policy containing the largest applicable limit.
2. If any other valid and collectible insurance is available to any **Insured** with respect to any liability arising from a **claim** or suit which is covered by this policy, and such other insurance is not afforded under a policy or **extended reporting period** issued by a past, present or future parent, subsidiary or affiliate of the **Company**, then this insurance will be excess over such other insurance even if such other insurance is stated to be primary, excess, contingent or otherwise. The **Company** will pay only the **Company's** share of the **excess loss**, if any, that exceeds the sum of:
 - a. the total amount that all such other insurance would pay for the **excess loss** in the absence of this insurance; and,
 - b. the total of all deductible and self-insured amounts under all such other insurance.
3. If the **Insured** has such other insurance that applies on the same basis, whether excess or primary, the **Company's** liability for **excess loss** shall not exceed:
 - a. the amount that would be payable if each insurer contributed by equal shares until the lowest limit contained in any applicable policy was exhausted or the entire **excess loss** was paid, whichever occurred first. If any **excess loss** remains, the **Company** will continue to contribute by equal shares until any of the following occurs:
 - (1) the applicable limits from this policy are exhausted,
 - (2) the limits of all applicable policies have been exhausted, or
 - (3) the entire amount is paid.This method shall only apply if all other such insurance provides for contribution by equal shares; or,
 - b. the ratio between the limit of liability available to the **Insured** under this policy and the total limit of liability under all applicable policies until the applicable limits from this policy are exhausted or the entire **excess loss** is paid. This method shall only apply if any applicable policy does not provide for contribution by equal shares.
4. The **Company** will have no duty to defend the **Insured** against any suit if any other insurer has a duty to defend the **Insured** against that suit. If no other insurer defends, the **Company** will undertake to do so, but the **Company** will be entitled to all of the **Insured's** subrogation rights against all those other insurers to the extent of any payments made, or as allowed by law.
5. This condition shall not apply if such other valid insurance is written to be specifically excess of this policy.

G. Maintenance of Scheduled Coverages.

1. The **scheduled coverages** shall be maintained by the **Insured** at all times and the **Insured** shall do nothing to restrict the terms or limits provided by the **scheduled coverages**.
2. The limits of insurance applicable to the policies listed on the Schedule of Underlying Insurance may not be reduced or exhausted for any reason other than the payment of judgments or settlements which would be covered by the provisions of this policy.
3. The limits of insurance applicable to any Self Insured Retention (SIR) listed in the Schedule of Underlying Insurance may not be reduced or exhausted for any reason other than the payment of judgments or settlement which would be covered by the provisions of this policy and **claims expense** associated with those payments, if **claims expense** depletes the SIR.
4. If the **Insured** fails to maintain or meet all terms and conditions of a **scheduled coverage** or if the company, trust or other entity providing the **scheduled coverage** shall become insolvent, the **Company's** duty to pay **excess loss** will apply as if the **scheduled coverage** had been so maintained.

H. Reduction or Exhaustion of Scheduled Limits.

If the **Insured's** applicable **scheduled limit** has been reduced or exhausted by the payment of **claims** for **events** that would otherwise be eligible for coverage under this policy, the **Company** will pay **excess loss** as if the **scheduled coverage** was not exhausted, in addition to any applicable deductible.

I. Subrogation.

The **Company** shall be subrogated to the rights of any **Insured** to the extent of any payments made, or as allowed by law. The **Insured** shall do nothing to prejudice those rights. At the **Company's** request, the **Insured** shall bring suit or transfer those rights to the **Company**. The **Insured** shall also help the **Company** enforce its rights.

K. Policy Territory.

Unless otherwise noted in an Insuring Agreement, this policy shall only apply to a **claim** filed within the United States, including its territories and possessions. However, unless otherwise noted, a **claim** may be based upon **professional services** provided anywhere in the world so long as the **Insured** had prior approval to provide such services from the appropriate governmental authorities and the **Company**.

L. Cancellation, Nonrenewal and/or Termination of Coverage.

1. This policy may be canceled by the **first named insured**. The **first named insured** shall mail written notice to the **Company** requesting cancellation. The cancellation shall be effective on the date requested by the **first named insured** or the date the notice is received by the **Company**, whichever is later.
2. Any coverage contained within this policy may be terminated by the **first named insured**. The **first named insured** shall mail written notice to the **Company** requesting the coverage termination. 3. This policy, or any coverage contained therein, may also be canceled, terminated or nonrenewed by the **Company**. The **Company** will send notice to the **first named insured** at the last address on record with the **Company**.
4. If the **first named insured** cancels this policy, or terminates any coverage contained therein, earned premium shall be computed in accordance with the standard short rate tables and procedure. If the **Company** cancels this policy, or terminates any coverage contained therein, earned premium shall be computed pro rata. Premium adjustments shall be made within a reasonable period of time after cancellation. However, payment or tender of unearned premium shall not be a condition of cancellation.
5. If the **Company** cancels or nonrenews an **Insured's** policy for any reason other than non-payment of premium, the **Company** shall provide written notice to the **first named insured** not less than thirty (30) days prior to the effective date of such cancellation or nonrenewal. If the **Company** cancels an **Insured's** policy for nonpayment of premium, the **Company** shall provide written notice to the **first named insured** not less than ten (10) days prior to the effective date of such cancellation or nonrenewal.
6. If the **Company** cancels or nonrenews an **Insured's** policy, the **Insured's** coverage under that policy shall terminate on the earlier of:
 - a. the date stated on the cancellation or nonrenewal notice; or,
 - b. the date the **Insured** procures replacement coverage.

N. Bankruptcy, Insolvency or Non-Payment by an Insured.

The filing of bankruptcy by, or the insolvency of or non-payment by, an **Insured**, or by any other entity providing a **scheduled coverage**, shall not act to modify any duty owed by the **Insured** or the **Company** under the policy. Schedules of Underlying Insurance: These schedules list the liability coverage(s) over which this policy will provide excess coverage.

Schedule of Insureds: These schedules define your coverage by designating who will be insured under a particular Insuring Agreement and what limits of liability will apply. If an Insuring Agreement is attached to your policy without a corresponding Schedule of Insureds, there is no coverage under that Insuring Agreement.

Insuring Agreements: These documents define the scope of the particular coverage that is being provided and any unique provisions (Additional Definitions, Additional Conditions, etc.) that will apply to it. For example, they indicate the types of claims that are covered and who is eligible to request indemnity under the policy. However, as mentioned above, these Insuring Agreements only provide coverage when attached to a corresponding Schedule of Insureds.

Defense and Supplemental Payments: If a claim or potential claim is covered under one of the Insuring Agreements, our Company may have a duty to pay supplemental damages on the Insured's behalf. This form defines the scope of our duty to pay those damages, and what duties the Company has, if any, to defend an Insured in the event of a claim.

General Definitions: This form contains the definitions that apply to every Insuring Agreement under your policy, unless otherwise noted. Additional or alternative definitions can be found within the definitions section of the relevant Insuring Agreement. Each word or phrase listed in **bold print** has been specifically defined within the policy. If a word has not been bolded, then its commonly understood meaning will apply.

General Exclusions: This form contains exclusions that apply to every Insuring Agreement under your policy, unless otherwise noted. Additional exclusions may also be found within the *ADDITIONAL EXCLUSIONS* section of the relevant Insuring Agreement.

General Conditions: This form defines the general duties our Company and the Insureds owe to each other under the terms of this policy contract, such as the requirements for reporting claims, the duty to maintain underlying insurance, the duties of the first named insured, etc.

Endorsements: Endorsements modify the terms and conditions of all or part of the policy and become a part of your policy. If an endorsement modifies one or more parts of the policy, but less than the entire policy, the endorsement will specify which parts of the policy are modified. It is important to understand that this is also the only method by which the terms and conditions of your policy can be altered.

If you have any questions regarding a particular provision or the coverage that is being provided to you, please contact your producer. We appreciate your patronage.

EXCESS PROFESSIONAL LIABILITY INSURING AGREEMENT (CLAIMS-MADE)

NOTICE:

**This Insuring Agreement contains claims-made coverage.
Please read this policy carefully.**

In consideration of the payment of the premium due, and in reliance upon the representations of all Insureds, the Company and the Insureds agree as follows, subject to the terms and conditions of this policy, including the applicable limits of liability:

I. INSURING AGREEMENT - EXCESS LOSS

- A. The Company will pay, on behalf of any **scheduled excess professional liability insured**, including agents, all **excess loss** arising from a **health care event**. However, the **health care event** must have resulted from **professional services** rendered, or which should have been rendered, while the **scheduled excess professional liability insured** was employed by, or under contract with, any **scheduled excess professional liability insured**. For coverage to exist, the **excess loss** must also arise from an event that took place on or after the **retroactive date**. In addition, the **excess loss** must arise from a **claim** that was **first reported** during the **policy period**.
- B. All **claims** arising out of the same **health care event** will be deemed to have been made at the time the first such **claim** is made against any **Insured**. Only the policy in effect when the first such **claim** is made and reported to the **Company** in writing will apply to all related **claims** no matter when those related **claims** are made or reported. If the first such **claim** is made prior to the effective date of this policy, this policy will not apply to that **claim** nor to any related **claim** made during this **policy period** or any **extended reporting period**.

II. WHO IS INSURED

For the purposes of this Insuring Agreement, an **Insured** is:

- A. a **scheduled excess professional liability insured**;
- B. a **new excess professional liability insured**; or,
- C. an **agent**
as defined below.

III. ADDITIONAL DEFINITIONS

In addition to the Excess General Definitions, the following definitions are added to this Insuring Agreement:

- A. **Scheduled excess professional liability insured** means any person or entity that is listed on the Schedule of Excess Professional Liability Insureds. A **scheduled excess professional liability insured** shares in the limits provided to the **first named insured**.
- B. **New excess professional liability insured** means an entity formed or acquired by the **scheduled excess professional liability insured** during the **policy period**, over which the **scheduled excess professional liability insured** maintains at least majority ownership.
 - 1. A **new excess professional liability insured** is not covered:
 - a. after 60 days have elapsed from the date the entity was formed or acquired by the **scheduled excess professional liability insured**; or,
 - b. for an **excess loss** or **health care event** that occurred before the entity was formed or acquired by the **scheduled excess professional liability insured** or after the **policy period**.
 - 2. A **new excess professional liability insured** shares the coverage provided to the **scheduled excess**

professional liability insured, including its limits of liability.

C. Agent

1. **Agent** means a person who was acting within the scope of his or her duties as:
 - a. an **employee, administrator, committee member, or student** of the **scheduled excess professional liability insured** at the time of the **health care event**; or,
 - b. a trustee, assign, or legal representative of the **scheduled excess professional liability insured** or of a person described in C.1.a. above in the event of bankruptcy, incapacity, or death.
2. An **agent** shares the coverage provided to the **scheduled excess professional liability insured**, including its limits of liability and any applicable restrictions.
3. An **agent** is not, however, an **Insured**, when the **agent** has other valid and collectible insurance to cover the claim.
4. As used to define an **agent**, above:
 - a. **employee** means any person employed by, or under contract with, the **scheduled excess professional liability insured** at the time of the **health care event**. It includes any authorized volunteer worker, **administrator, committee member or student**. **Employee** does not include:
 - (1) physician or dentist, including residents; or,
 - (2) certified registered nurse anesthetist, nurse midwife, nurse practitioner, physician's assistant, podiatrist, or surgical assistant.
 - b. **administrator** means an owner, partner, stockholder, director, trustee, executive officer, medical director, department head, or faculty member of the **scheduled excess professional liability insured**.
 - c. **committee member** means a person serving as a member of a committee or board formed or controlled by the **scheduled excess professional liability insured**. It also includes any person executing the directives of such a committee or board.
 - d. **student** means an unlicensed person, other than a resident, enrolled in a licensed or accredited training program operated by the **scheduled excess professional liability insured** relative to the delivery of professional services.

IV. ADDITIONAL EXCLUSIONS

In addition to any exclusions listed in the Excess General Exclusions, this Insuring Agreement does not apply to:

- A. any claim that was **first reported** by, or on behalf of, any **Insured** prior to the **policy period**;
- B. any claim arising from, or in connection with, any **professional services** rendered, or which should have been rendered, outside of the **scheduled excess professional liability insured's** employment, or contract for services with any **Insured** listed on the Schedule of Excess Professional Liability Insured's as a **scheduled excess professional liability insured**. This exclusion shall not apply to **professional services** rendered, or which should have been rendered, by a **scheduled excess professional liability insured** at the scene of an accident without expectation of monetary compensation;
- C. any claim arising from, or in connection with, an **Insured's** ownership, supervision or management of any organization, partnership, joint venture, or other business enterprise that is not a **scheduled excess professional liability insured**;
- D. any claim arising from, or in connection with, **treatment** rendered, or which should have been rendered, by an **administrator or committee member** unless it was provided in an emergency without an expectation of compensation;
- E. any **business practices claim**;
- F. any **employment practices claim**;

- G. any **product liability claim**;
- H. any **claim** arising from, or in connection with, the rendering, or failure to render, **managed care services**;
- I. liability for the acts of another assumed by an **Insured** under any contract or agreement, except as otherwise noted in this policy; or,
- J. any liability for the acts of another assumed by the **Insured** under any contract or agreement, whether written or oral, which shall include any hold harmless or indemnification agreement entered into by the **Insured**, provided that this exclusion shall not serve to exclude coverage to any third party for any liability imposed upon such third party solely as the result of the **Insured's** rendering of, or failure to render, **professional services**.

V. *LIMITS OF LIABILITY*

PER EVENT LIMIT

The **Company's** duty to pay excess loss on behalf of a **scheduled excess professional liability insured** for any **health care event** covered under this Insuring Agreement shall not exceed the Per Event Limit of Liability shown for Excess Professional Liability on the Schedule of Excess Professional Liability Insureds. This limit shall apply regardless of the number of:

1. persons who sustain injury;
2. claimants;
3. **claims**;
4. policies issued by the **Company**; or,
5. **Insureds** who share the Per Event limit.

AGGREGATE LIMIT

The **Company's** duty to pay excess loss on behalf of all **scheduled excess professional liability insureds** for all **health care events** covered under this Insuring Agreement shall not exceed the Aggregate Limit of Liability shown for Excess Professional Liability on the Schedule of Excess Professional Liability Insureds. This limit shall apply regardless of the number of:

1. **health care events**;
2. persons who sustain injury;
3. claimants;
4. **claims**;
5. policies issued by the **Company**; or,
6. **Insureds** who share the Aggregate limit.

VI. *ADDITIONAL CONDITIONS*

In addition to the conditions contained in the Excess General Conditions, the following conditions apply to this Insuring Agreement:

A. Settlement.

The **Company** may pay any excess loss as it deems expedient, unless prohibited by statute, regulation, rule or order, after first providing written notice to the **first named insured**.

B. Extended Reporting Period Option.

Purchase of an **extended reporting period**:

1. If the entire policy is canceled or nonrenewed, the **Company** shall, upon written request of the **first named insured**, mail an offer for an **extended reporting period** to the **first named insured** at the last address on record with the **Company**.
 - a. Any such written request by the **first named insured** must be received by the **Company** within 30 days of the expiration of the policy.
 - b. The **Company** shall only be required to offer an **extended reporting period**, if requested, to the **first**

named insured for all risks covered under the policy.

- c. The **Company** shall only be required to offer an **extended reporting period** if the **first named insured** has purchased an **extended reporting period** for all **scheduled coverages** that provide coverage on a **claims-made** basis.
2. If the **first named insured** accepts the offer of the **extended reporting period**, all **scheduled excess professional liability insureds** that were afforded coverage by this policy shall be included in the **extended reporting period**. However, the **Company** has no duty to offer a separate **extended reporting period** to any **scheduled excess professional liability insured** or any other **Insured**. In addition, the **Company** has no duty to inform any **scheduled excess professional liability insured** or any other **Insured** whether the **first named insured** has accepted its offer.
3. The **first named insured** may accept the **Company's** offer of an **extended reporting period** by paying the premium due within 30 days from either the date on which the policy expires or the date on which the **Company** receives the request for an **extended reporting period**, whichever is later. Failure to pay the full premium within this 30-day period will be deemed a rejection of the offer.
4. If purchased, the **extended reporting period** will begin at the end of the **policy period** and shall not reinstate the limits of liability of this Insuring Agreement. Thereafter, any **claim** against a **scheduled excess professional liability insured**, which is otherwise covered by the policy, may be reported for an unlimited duration. However, the **extended reporting period** shall not:
 - a. extend the **policy period**;
 - b. apply to any **claim** arising from a **health care event** that took place after the **policy period**; or,
 - c. otherwise expand the coverage provided under this policy.

EXCESS COMMERCIAL GENERAL LIABILITY INSURING AGREEMENT (OCCURRENCE)

In consideration of the payment of the additional premium due, if any, and in reliance upon the representations of all **Insureds**, the **Company** and the **Insureds** agree as follows, subject to the terms and conditions of this policy, including the applicable limits of liability.

I. INSURING AGREEMENT—COVERAGE A: BODILY INJURY AND PROPERTY DAMAGE

- A. The **Company** will pay those sums that the **scheduled excess insured business** including its **agents** becomes legally obligated to pay as **excess loss** because of **bodily injury** or **property damage** to which this insurance applies. The **Company** will have no duty to defend the **Insured** against any **suit** seeking those damages. However, the **Company** may, at its discretion, investigate any **event** and settle any **claim** or **suit**. The amount the **Company** will pay for damages is limited as described in the *LIMITS OF LIABILITY – ALL EXCESS COMMERCIAL LIABILITY COVERAGES* section. No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for under *DEFENSE AND SUPPLEMENTAL PAYMENTS – ALL EXCESS COMMERCIAL GENERAL LIABILITY COVERAGES*.
- B. This insurance applies to **bodily injury** and **property damage** only if:
1. the **bodily injury** or **property damage** is caused by an **event** that takes place in the **coverage territory**;
 2. the **bodily injury** or **property damage** is caused by an **event** that occurs during the **policy period**; and
 3. prior to the **policy period**, no **scheduled excess insured business** or **agent** authorized by the **scheduled excess insured business** to give or receive notice of an **event** knew that the **bodily injury** or **property damage** had occurred, in whole or in part. If such a **scheduled excess insured business**, or **agent** authorized by the **scheduled excess insured business** to give or receive notice of an **event**, knew prior to the **policy period** that the **bodily injury** or **property damage** occurred, then any continuation, change, or resumption of such **bodily injury** or **property damage** during or after the **policy period** will be deemed to have been known prior to the **policy period**.
- C. **Bodily injury** or **property damage**, which occurs during the **policy period** and was not, prior to the **policy period**, known to have occurred by a **scheduled excess insured business** or **agent** authorized by the **scheduled excess insured business** to give or receive notice of an **event**. This includes any continuation, change, or resumption of that **bodily injury** or **property damage** after the **policy period**.
- D. **Bodily injury** or **property damage** will be deemed to have been known to have occurred at the earliest time when any **scheduled excess insured business** or **agent** authorized by the **scheduled excess insured business** to give or receive notice of an **event**:
1. reports all, or any part, of the **bodily injury** or **property damage** to the **Company** or any other insurer;
 2. receives a written or verbal demand or **claim** for damages because of the **bodily injury** or **property damage**;
 - or,
 3. becomes aware by any other means that **bodily injury** or **property damage** has occurred or has begun to occur.

This exclusion shall apply:

1. This exclusion applies even if the **claims** against any **Insured** allege negligence or other wrongdoing in the supervision, hiring, employment, training, or monitoring of others by that **Insured** if the event which caused the **bodily injury** or **property damage** involved the ownership, maintenance, use, or entrustment to others of any aircraft, **auto**, or watercraft that is owned or operated by or rented or loaned to any **Insured**.

These Excess General Conditions apply to all Insuring Agreements selected under this policy.

A. Representations and Change Provision.

1. By acceptance of this policy, each **Insured** agrees, represents, and warrants that the statements and particulars made in all applications, including any statements and particulars made in any and all documents, supplemental pages or other attachments ("Attachments") for the purposes of any application, are true and correct. It is further understood and agreed that any application, and any Attachments, are incorporated into, and shall form a part of, this policy. Therefore, this policy and any endorsements, and all applications and Attachments, embody all agreements between the **Insured** and the **Company**, or any of its authorized representatives, relating to this insurance.
2. In the event any application was executed or endorsed by the **Insured's** agent, the **Insured** acknowledges that the agent has acted under the **Insured's** express authority and that the **Insured** has thoroughly reviewed the information contained on any application. Therefore, it is understood and agreed that, to the extent permitted by law, the **Company** reserves the right to rescind this policy, or deny any coverage provided for a **claim**, based upon any material misrepresentation made by the **Insured**.
3. The representations made by the **Insured** in the applications, and Attachments, are the basis for the coverage provided, as well as the **Company's** calculation of the applicable premium. As a result, the **Insured** agrees to inform the **Company** of any material change in practice. Such material changes shall include, but are not limited to:
 - a. a new procedure being performed or expansion into a new area of patient care;
 - b. the purchase of, merger with, or construction of a new practice location, facility or real property;
 - c. any addition, deletion, or change in status (including the number of working hours, if applicable) involving a person or entity listed on any Schedule of Insureds;
 - d. the revocation, suspension, or restriction of the medical license, hospital privileges, or DEA license of any **Insured** or employed health care provider;
 - e. a criminal indictment, charge or conviction of any **Insured** or employed health care provider;
 - f. a settlement or verdict in a lawsuit that was not defended by the **Company**; or,
 - g. any physical or mental condition that impairs any **Insured's** or employed health care provider's ability to render professional services;not included on the **Insured's** most recent application.
4. In the event the **Company** is made aware of a material change in the **Insured's** practice, it reserves the right to recalculate the applicable premium, exclude the new practice characteristics from coverage, and/or deny any coverage provided for a **claim** arising from, or in connection with, the material change.

B. Reporting Requirements.

1. An **Insured** shall immediately report any **claim** arising from an event:
 - a. that the **Insured** reasonably believes will result in damages that exceed the **scheduled limit**;
 - b. for which the **Company** providing the **scheduled limit** has set a loss reserve which exceeds \$100,000;
 - c. for which the claimant's demand exceeds the **scheduled limit**;
 - d. that caused:
 - (1) neurological, sensory, or systemic deficits to the injured party (such as brain damage; permanent paralysis, loss of sight or hearing, etc.);
 - (2) permanent damage related to an injury during child delivery or the administration of anesthesia;

- (3) limitations on the injured party's activities of daily living (such as a loss of a limb); or,
- (4) death.
- 2. The report of any **claim** shall be in writing. The report shall include the following information:
 - a. the identity of all **Insureds** implicated;
 - b. all reasonably obtainable information with respect to the time, place and circumstances of the event;
 - c. the nature and extent of the injury;
 - d. the names and addresses of any injured persons; and,
 - e. the names and addresses of available witnesses.
- 3. All such reports and documents shall be directed to the **Company** using the contact information listed on the contact sheet attached to the top of this policy.
- 4. An event reported to the **Company** as part of risk management or loss control services shall not be considered the report of a **claim**.

C. Assistance and Cooperation.

- 1. After any **claim** or **potential claim**, the **Insured** shall not contract any expense, voluntarily assume any liability in any situation; nor make or contract any settlement of the **claim** or **potential claim**, except at the **Insured's** own cost and responsibility, without the written authorization of the **Company**.
- 2. The **Company's** duty to defend and pay loss for any **claim** otherwise covered under this policy is strictly conditioned upon the **Insured's** cooperation with the **Company** in the investigation, defense, and/or settlement of any matter to which this policy applies. Such cooperation shall include, but is not limited to:
 - a. attendance at any deposition, hearing, or trial, as requested by the **Company**;
 - b. assistance in securing and giving evidence;
 - c. obtaining the attendance of witnesses; and,
 - d. doing nothing to prejudice the **Company's** ability to investigate, defend, and/or manage any matter to which this policy applies;
 - e. submitting to recorded and/or sworn statements and to examinations under oath as requested by the **Company**; and,
 - f. promptly producing, at the **Company's** request, any records, documents and other information in the **Insured's** possession, custody or control.
- 3. If a **claim** or **potential claim** is, or might be, covered under any other policy of insurance, the **Insured** shall promptly give notice to such other insurers. The **Insured** shall also provide the **Company** with copies of the applicable policies. The **Insured** shall further act in good faith to enforce any rights held under such policies, including the right to a defense.

D. Premiums.

- 1. The **Company's** obligation to perform any duty under the policy is strictly conditioned upon the payment of the premium when due. Similarly, the **Company's** obligation to perform any duty pursuant to a renewal of coverage provided under the policy shall be strictly conditioned upon the payment of the renewal premium when due. Therefore, this policy shall not be deemed to have been issued, delivered, or renewed and shall not be applicable to any matter which would otherwise be covered herein, until:
 - a. the premium has been paid in full; or,
 - b. if the **Company** has agreed to finance the policy, the first installment has been paid in full.If payment is made by check, electronic transfer or money order, it shall not be considered "paid in full" until honored by the payor's bank.
- 2. Any premium designated as "deposit premium" is merely a deposit on the actual amount owed. At the close of the **policy period**, the **Company** will compute the earned premium for that period. The "deposit premium" will then be credited to that amount. If the "deposit premium" exceeds the earned premium, the **Company** will refund the difference to the **first named insured**. If the earned premium exceeds the "deposit premium", the **Company** will bill the **first named insured** for the difference.
- 3. The **first named insured** shall maintain records of the information necessary for premium computation. The **first named insured** shall send copies of these records to the **Company** at the end of the **policy period** as directed by the **Company**. Such information shall be subject to audit and verification by the **Company**.

E. Inspection and Audit.

The **Company** shall be permitted, at its own discretion and for its own benefit, to audit an **Insured's** property, operations, and any business records. The **Company** shall also have the right to obtain a copy of any current or prior insurance records. Any findings or recommendations made by the **Company** as a result of an audit shall inure solely to the **Company's** benefit. As a result, they may not be used as evidence of the **Insured's** compliance with any safety regulations or other industry standards.

F. Other Insurance.

Unless otherwise noted in an Insuring Agreement:

1. If any other valid and collectible insurance is available to any **Insured** with respect to any liability arising from a **claim** or suit which is covered by this policy, and such other insurance is afforded under a policy or **extended reporting period** issued by a past, present or future parent, subsidiary or affiliate of the **Company**:
 - a. if the **Insured** has secured coverage from the **Company** or any of its affiliates on a **non-standard policy**, then the **Company's** duty to pay **excess loss** will be confined to the **non-standard policy**;
 - b. if subsection (a) does not apply, and an **Insured** is named as a specific named insured under any other valid and collectible insurance available to that **Insured**, then any duty to pay **excess loss** is confined to the policy where the **Insured** is specifically named;
 - c. if neither subsection (a) nor (b) above apply, any duty to pay **excess loss** will be confined to the policy containing the largest applicable limit.
2. If any other valid and collectible insurance is available to any **Insured** with respect to any liability arising from a **claim** or suit which is covered by this policy, and such other insurance is not afforded under a policy or **extended reporting period** issued by a past, present or future parent, subsidiary or affiliate of the **Company**, then this insurance will be excess over such other insurance even if such other insurance is stated to be primary, excess, contingent or otherwise. The **Company** will pay only the **Company's** share of the **excess loss**, if any, that exceeds the sum of:
 - a. the total amount that all such other insurance would pay for the **excess loss** in the absence of this insurance; and,
 - b. the total of all deductible and self-insured amounts under all such other insurance.
3. If the **Insured** has such other insurance that applies on the same basis, whether excess or primary, the **Company's** liability for **excess loss** shall not exceed:
 - a. the amount that would be payable if each insurer contributed by equal shares until the lowest limit contained in any applicable policy was exhausted or the entire **excess loss** was paid, whichever occurred first. If any **excess loss** remains, the **Company** will continue to contribute by equal shares until any of the following occurs:
 - (1) the applicable limits from this policy are exhausted,
 - (2) the limits of all applicable policies have been exhausted, or
 - (3) the entire amount is paid.This method shall only apply if all other such insurance provides for contribution by equal shares; or,
 - b. the ratio between the limit of liability available to the **Insured** under this policy and the total limit of liability under all applicable policies until the applicable limits from this policy are exhausted or the entire **excess loss** is paid. This method shall only apply if any applicable policy does not provide for contribution by equal shares.
4. The **Company** will have no duty to defend the **Insured** against any suit if any other insurer has a duty to defend the **Insured** against that suit. If no other insurer defends, the **Company** will undertake to do so, but the **Company** will be entitled to all of the **Insured's** subrogation rights against all those other insurers to the extent of any payments made, or as allowed by law.
5. This condition shall not apply if such other valid insurance is written to be specifically excess of this policy.

G. Maintenance of Scheduled Coverages.

1. The **scheduled coverages** shall be maintained by the **Insured** at all times and the **Insured** shall do nothing to restrict the terms or limits provided by the **scheduled coverages**.
2. The limits of insurance applicable to the policies listed on the Schedule of Underlying Insurance may not be reduced or exhausted for any reason other than the payment of judgments or settlements which would be covered by the provisions of this policy.

3. The limits of insurance applicable to any Self Insured Retention (SIR) listed in the Schedule of Underlying Insurance may not be reduced or exhausted for any reason other than the payment of judgments or settlement which would be covered by the provisions of this policy and **claims expense** associated with those payments, if **claims expense** depletes the SIR.
4. If the **Insured** fails to maintain or meet all terms and conditions of a **scheduled coverage** or if the company, trust or other entity providing the **scheduled coverage** shall become insolvent, the **Company's** duty to pay excess loss will apply as if the **scheduled coverage** had been so maintained.

H. Reduction or Exhaustion of Scheduled Limits.

If the **Insured's** applicable **scheduled limit** has been reduced or exhausted by the payment of **claims** for events that would otherwise be eligible for coverage under this policy, the **Company** will pay excess loss as if the **scheduled coverage** was not exhausted, in addition to any applicable deductible.

I. Subrogation.

The **Company** shall be subrogated to the rights of any **Insured** to the extent of any payments made, or as allowed by law. The **Insured** shall do nothing to prejudice those rights. At the **Company's** request, the **Insured** shall bring suit or transfer those rights to the **Company**. The **Insured** shall also help the **Company** enforce its rights.

J. First Named Insured.

1. The **first named insured** shall act as the agent of all **Insureds** with respect to this policy, with full authority to bind all **Insureds**. This shall include, but is not limited to:
 - a. receipt of notices of cancellation or nonrenewal;
 - b. requesting or receiving endorsements issued to form a part of this policy;
 - c. payment of premiums due;
 - d. receiving return premium; and,
 - e. receiving and/or responding to an offer for an **extended reporting period** for any **Insured**.
2. The **first named insured** shall notify in writing the **Company** and all **Insureds** of any changes that might affect the insurance provided under this policy.

K. Policy Territory.

Unless otherwise noted in an Insuring Agreement, this policy shall only apply to a **claim** filed within the United States, including its territories and possessions. However, unless otherwise noted, a **claim** may be based upon **professional services** provided anywhere in the world so long as the **Insured** had prior approval to provide such services from the appropriate governmental authorities and the **Company**.

L. Cancellation, Nonrenewal and/or Termination of Coverage.

1. This policy may be canceled by the **first named insured**. The **first named insured** shall mail written notice to the **Company** requesting cancellation. The cancellation shall be effective on the date requested by the **first named insured** or the date the notice is received by the **Company**, whichever is later.
2. Any coverage contained within this policy may be terminated by the **first named insured**. The **first named insured** shall mail written notice to the **Company** requesting the coverage termination. The termination shall be effective on the date requested by the **first named insured** or the date the notice is received by the **Company**, whichever is later.
3. This policy, or any coverage contained therein, may also be canceled, terminated or nonrenewed by the **Company**. The **Company** will send notice to the **first named insured** at the last address on record with the **Company**.
4. If the **first named insured** cancels this policy, or terminates any coverage contained therein, earned premium shall be computed in accordance with the standard short rate tables and procedure. If the **Company** cancels this policy, or terminates any coverage contained therein, earned premium shall be computed pro rata. Premium adjustments shall be made within a reasonable period of time after cancellation. However, payment or tender of unearned premium shall not be a condition of cancellation.
5. If the **Company** cancels or nonrenews an **Insured's** policy for any reason other than non-payment of premium, the **Company** shall provide written notice to the **first named insured** not less than thirty (30) days prior to the effective date of such cancellation or nonrenewal. If the **Company** cancels an **Insured's** policy for nonpayment of premium, the

Company shall provide written notice to the **first named insured** not less than ten (10) days prior to the effective date of such cancellation or nonrenewal.

6. If the **Company** cancels or nonrenews an **Insured's** policy, the **Insured's** coverage under that policy shall terminate on the earlier of:
- the date stated on the cancellation or nonrenewal notice; or,
 - the date the **Insured** procures replacement coverage.

M. Modifications.

Except as provided herein, this policy may not be modified except by written endorsement attached to and made a part of this policy by the **Company**. The **Company's** decision not to insist on the **Insured's** compliance with any provision of this policy shall not operate to waive, modify, or void the provision.

N. Bankruptcy, Insolvency or Non-Payment by an Insured.

The filing of bankruptcy by, or the insolvency of or non-payment by, an **Insured**, or by any other entity providing a **scheduled coverage**, shall not act to modify any duty owed by the **Insured** or the **Company** under the policy. Under no circumstances will such bankruptcy, insolvency or non-payment require the **Company** to assume, or in any way be responsible for, any **scheduled coverage**, or otherwise assume any obligation owed by any **Insured** under this policy. Unless prohibited by law, the **Company** will have no duty to pay any **excess loss** for any **claim** unless the **Insured**, or any other entity providing **scheduled coverage**, pays the limits of liability of the **scheduled coverage** in full.

O. Non-assignability.

No interest of an **Insured** under this policy shall be assignable without the prior written consent of the **Company**. However, if the **Insured** is a person and dies, the coverage afforded by this policy shall inure to the benefit of that **Insured's** estate.

P. Separation of Insureds.

Except for the applicable limits of liability and any duties specifically assigned to the **first named insured**, this policy applies:

- separately to each **Insured** against whom a **claim** is made; and,
- as if each **Insured** were the only **Insured** under this policy.

Q. Action Against the Company.

- No action shall lie against the **Company** unless each **Insured** is in full compliance with all of the terms of this policy.
- No person shall have the right to join the **Company** as a party to a **claim** to determine the **Insured's** liability under this policy. Further, an **Insured** shall not interplead the **Company** into a **claim**.
- No action shall lie against the **Company** until the amount of **excess loss** has been finally determined by entry of judgment or written agreement between the **Insured**, the claimant and the **Company**. Once the amount of **excess loss** has been finally determined, the claimant shall be entitled to recover under the terms of this policy.

R. Arbitration.

The **Company** and the **Insured** agree that any dispute, **claim** or controversy arising out of, relating to, or in connection with this policy, whether brought by or on behalf of the **Insured**, **Company**, or any other party, that the **Company** may elect to submit any such dispute, **claim** or controversy to binding arbitration, in accordance with Title 9 USC Sec. 1 et seq (the Federal Arbitration Act) and shall be governed by the Commercial Arbitration Rules of the American Arbitration Association.

The arbitration shall be presided over by three arbitrators chosen from the Commercial Insurance Panel of the American Arbitration Association. The arbitrators shall be governed by the law of the state of the address of the **first named insured**, as set forth on the Declarations. The arbitrators shall have the discretion to order pre-arbitration discovery, including an exchange of documents and

**NOTICE OF AVAILABLE COVERAGE UNDER THE TERRORISM RISK INSURANCE
PROGRAM REAUTHORIZATION ACT OF 2007**

**– IMPORTANT –
THIS NOTICE DISCUSSES A DECISION
YOU MUST MAKE ON COVERAGE FOR ACTS OF TERRORISM**

DATE OF ACT: **December 31, 2007**

NAMED INSURED: **Laser Spine Institute, LLC**

LINES OF COVERAGE: **Excess General Liability**

PREMIUM FOR COVERAGE FOR AN “ACT OF TERRORISM”: **\$ 150.00**

The tragic events of September 11, 2001 have impacted our country in many ways. The insurance industry responded immediately to these events, and has provided billions of dollars of payments. However, the possibility of future attacks has created what Congress describes as an “unprecedented financial risk” with a significant impact on the economy. As a result, Congress passed the Terrorism Risk Insurance Act of 2002 (The Act). The Act was extended in December of 2005 for an additional two years. Congress recently amended the Act and extended the program for an additional seven years to December 31, 2014, under the Terrorism Risk Insurance Program Reauthorization Act of 2007. This Notice informs you of your rights and obligations under the Act.

You are hereby notified that under the Act, as amended, that you have the right to purchase insurance for losses resulting from acts of terrorism, as defined in Section 102(1) of the Act.

WHAT IS AN “ACT OF TERRORISM”?

- An “act of terrorism” is defined as:

Any act that is certified by the Secretary of the Treasury in concurrence with the Secretary of State and the Attorney General of the United States pursuant to the Act:

- (1) To be an act of terrorism;
- (2) To be a violent act or an act that is dangerous to (a) human life; (b) property; or (c) infrastructure;
- (3) To have resulted in damage within the United States, or outside the United states in the case of certain aircraft or vessels, or on the premises of a US mission; and
- (4) To have been committed by an individual or individuals as part of an effort to coerce the civilian populations of the US or to influence the policy or affect the conduct of the US Government by coercion.

- No act will be certified as described above by the Secretary of Treasury as an “act of terrorism” if:

- (1) It does not meet the above criteria;

(2) The act is committed as part of the course of war declared by Congress (other than with respect to Workers' Compensation); or,

(3) Property and casualty losses resulting from the act, in the aggregate, do not exceed \$5,000,000.

As used in this Notice, the phrases "act of terrorism" or "acts of terrorism," when set out in quotation marks, are to be construed as defined above.

WHAT IS AN "INSURED LOSS"?

An "insured loss" is any loss (other than amounts attributable to punitive damages) that is caused by an "act of terrorism" (including an act of war, in the case of workers' compensation) that is covered by primary or excess property and casualty insurance issued by an insurer if such loss:

(1) occurs within the United States,

(2) occurs to an air carrier (as defined in 49 U.S.C. § 40102), to a U.S. flag vessel (or a vessel based principally in the U.S., on which U.S. income tax is paid and whose insurance coverage is subject to regulation in the U.S.), or

(3) occurs at the premises of any U.S. mission.

As used in this Notice, the phrases "insured loss" or "insured losses," when set out in quotation marks, are to be construed as defined above.

THE FEDERAL GOVERNMENT'S SHARE OF PAYMENTS FOR "INSURED LOSS"

You should know that where coverage is provided by this policy for losses resulting from certified acts of terrorism, such losses may be reimbursed by the United States Government under a formula established by federal law. However, your policy may contain other exclusions which might affect your coverage, such as an exclusion for nuclear events. Under the formula, the United States Government generally reimburses 85% of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company providing the coverage. The deductible will be 20% of our direct earned premium for "insured loss". The premium charged for this coverage is provided below and does not include any charges for the portion of loss that may be covered by the federal government under the Act.

You should also know that the Act, as amended, contains a **\$100 billion cap** that limits the United States Government reimbursement as well as insurers' liability for losses resulting from certified acts of terrorism when the amount of such losses in any one calendar year exceeds the **\$100 billion cap**. If the aggregate insured losses for all insurers exceed the **\$100 billion cap**, and we have met our insurer deductible under the Terrorism Risk Insurance Act, your coverage may be reduced. We may not be liable under our policies for our portion of such losses that exceed such amount. The amounts we pay to you under your policy may be reduced as a result. In addition, we may reserve our rights when we make payments to you, and we may require an undertaking from you to return any overpayment to us.

For purposes of determining such deductibles, "direct earned premium" means only the premiums earned on the commercial lines of property and casualty insurance covered by the Act for risks inside the U.S. or vessels, aircraft and foreign missions outside the U.S. covered by the Act.

WHAT MUST YOU DO?

As required by the Act, you are hereby notified that under the Act, as amended, that you have a right to purchase insurance coverage for losses resulting from acts of terrorism as defined in Section 102(1). This Notice constitutes an offer of coverage for losses arising out of an “act of terrorism” and presents our premium charge for that coverage.

This coverage is automatically included in your policy. In order to decline to purchase this coverage, you must notify the company in writing that you have chosen NOT to purchase this coverage. If you decide to decline the terrorism coverage you must notify us of your decision at the time of binding the remainder of coverage.

The amount of premium you must pay for adding this coverage is shown above. The premium charged for this coverage does not include any charges for the portion of loss covered by the federal government under the act.

POLICY NUMBER: EN004806

THIS NOTICE IS ATTACHED TO AND MADE PART OF YOUR POLICY IN RESPONSE TO THE DISCLOSURE REQUIREMENTS OF THE TERRORISM RISK INSURANCE ACT OF 2002. THIS NOTICE DOES NOT GRANT ANY COVERAGE OR CHANGE THE POLICY TERMS AND CONDITIONS OF ANY COVERAGE UNDER THE POLICY.

INSURANCE ACT OF 2002**

SCHEDULE*

Terrorism Premium (Certified Acts)	\$ <u>150.00</u>
---	-------------------------

Additional information, if any, concerning the terrorism premium:

Coverage for acts of terrorism is included in your policy.

<p>* Information required to complete this Schedule, if not shown on this endorsement, will be shown in the Declarations.</p>

A. Disclosure of Premium

In accordance with the federal Terrorism Risk Insurance Act of 2002, as extended on December 22, 2005, and amended December 31, 2007, we are required to provide you with a notice disclosing the portion of your premium, attributable to coverage for terrorist acts certified under that Act.

Coverage for acts of terrorism is included in your policy.

The portion of your premium attributable to such coverage for acts of terrorism is shown in the Schedule of this endorsement, and does not include any charges for the portion of losses covered by the United States government under the Act.

B. Disclosure of Federal Participation in Payment of Terrorism Losses

You are hereby notified that under the Act, as amended on December 31, 2007, the definition of act of terrorism has changed. As defined in Section 102(1) of the Act, an "act of terrorism" is defined as any act that is certified by the Secretary of the Treasury- in concurrence with the Secretary of State and the Attorney General of the United States pursuant to the Act- to be an act of terrorism; to be a violent act or an act that is dangerous to (a) human life; (b) property; or (c) infrastructure; to have resulted in damage within the United States, or outside the United States in the case of certain aircraft or vessels, or on the premises of a US mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian populations of the US or to influence the policy or affect the conduct of the US Government by coercion.

Under your coverage, any losses resulting from certified acts of terrorism may be partially reimbursed by the United States Government under a formula established by the Act, as amended. However, your policy

may contain other exclusions which might affect your coverage, such as an exclusion for nuclear events. Under the formula, the United States Government generally reimburses 85% of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company providing the coverage. The Act, as amended, contains a **\$100 billion cap** that limits the United States Government reimbursement as well as insurers' liability for losses resulting from certified acts of terrorism when the amount of such losses in any one calendar year exceeds the **\$100 billion cap**. If the aggregate insured losses for all insurers exceed the **\$100 billion cap**, and we have met our insurer deductible under the Terrorism Risk Insurance Act, your coverage may be reduced.

This constitutes notice, as required, under the Terrorism Risk Insurance Act, as extended on December 22, 2005, and amended on December 31, 2007. Any losses resulting from certified acts of terrorism under this policy coverage may be partially reimbursed by the United States government, may be subject to a \$100 billion cap that may reduce your coverage. You have been hereby notified of the portion of your premium attributable to such coverage.

***LIMITED TERRORISM EXCLUSION (OTHER THAN CERTIFIED ACTS OF TERRORISM);
CAP ON LOSSES FROM CERTIFIED ACTS OF TERRORISM ENDORSEMENT
(NO DROPDOWN)
EXCESS COMMERCIAL GENERAL LIABILITY INSURING AGREEMENT***

In consideration of the payment of the premium charged and in reliance upon the representation of all **Insureds**, the **Company** and the **Insured** agree to amend the Excess Commercial General Liability Insuring Agreement as follows:

The following exclusion is added to both *EXCLUSIONS - COVERAGE A: BODILY INJURY AND PROPERTY DAMAGE LIABILITY* and *EXCLUSIONS - COVERAGE: B PERSONAL AND ADVERTISING INJURY*:

Any **claim, bodily injury or property damage** arising, directly or indirectly, out of any **other act of terrorism**. However, with respect to any **other act of terrorism**, this exclusion applies only when one or more of the following are attributed to such act:

1. The total of **insured damage** to all types of property exceeds \$27,500,000,000 for related incidents that occur within a 72-hour period. In determining whether the \$27,500,000,000 threshold is exceeded, the **Company** will include all **insured damage** sustained by property of all persons and entities affected by the terrorism and business interruption losses sustained by owners or occupants of the damaged property. For the purpose of this provision, **insured damage** means industry-wide insured losses or damage that is covered by any insurance plus damage that would be covered by any insurance but for the application of any terrorism exclusions; or
2. Fifty or more persons sustain death or **serious physical injury** for related incidents that occur within a 72-hour period. For the purposes of this provision, **serious physical injury** means:
 - a. physical injury that involves a substantial risk of death; or
 - b. protracted and obvious physical disfigurement; or
 - c. protracted loss of or impairment of the function of a bodily member or organ; or
3. The terrorism involves the use, release or escape of nuclear materials, or directly or indirectly results in nuclear reaction or radiation or radioactive contamination; or
4. The terrorism is carried out by means of the dispersal or application of pathogenic or poisonous biological or chemical materials; or
5. Pathogenic or poisonous biological or chemical materials are released, and it appears that one purpose of the terrorism was to release such materials.

Edition Date: 1/2011

For the purposes of this exclusion, any **bodily injury or property damage** means any **bodily injury or property damage** covered under any Insuring Agreement to which this endorsement is applicable, and includes but is not limited to **bodily injury, property damage, personal injury and advertising injury, products completed operations hazard**, clean-up costs or environmental damage as may be defined in any applicable Insuring Agreement.

In the event of any incident of an **other act of terrorism** that is not subject to this exclusion, coverage does not apply to any loss or damage that is otherwise excluded under this Insuring Agreement.

With respect to any one or more **certified acts of terrorism**, the **Company** will not pay any amounts for which the **Company** is not responsible under the terms of the federal Terrorism Risk Insurance Act of 2002 (including subsequent acts of Congress pursuant to the Act) due to the application of any clause which results in a cap on the **Company's** liability for payments for terrorism losses.

In the event any **scheduled policy** or underlying insurance coverage for **certified acts of terrorism** or **other acts of terrorism** is not in full force and effect for any reason, the **Insured** fails to satisfy all conditions thereunder relative to any **occurrence event** or suit, or if such insurance becomes uncollectible due to insolvency or bankruptcy, the insurance afforded by this policy shall apply in the same manner as though such coverage was available, collectible and the conditions thereof satisfied.

Multiple incidents of any **other act of terrorism** which occur within a seventy-two hour period and appear to be carried out in concert or to have a related purpose or common leadership shall be considered to be one incident.

The following definitions are added to *DEFINITIONS — ALL COMMERCIAL GENERAL LIABILITY COVERAGES*:

The federal Terrorism Risk Insurance Act of 2002, as extended on December 22, 2005, and amended on December 31, 2007, sets forth the following criteria for a **certified act of terrorism**:

2. the act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion. The act must have resulted in damage within the United States, or outside the United States in cases of an air carrier or vessel, as provided in the Act, or the premises of a United States mission.
3. No act of terrorism shall be certified if the act is committed as a part of the course of a war declared by Congress.

IMPORTANT NOTICE

This policy contains claims-made coverage.
Please read your policy carefully and be sure you understand
your responsibilities.

You have an obligation to make a written request for an offer of an extended reporting period:

1. while this policy is active, if coverage is terminated for any insured on a separate limit basis under any of the insuring agreements included in this policy; or,
2. after the entire policy expires or is cancelled.

An extended reporting period allows reporting of claims after expiration of the policy so long as the claim is based on events that took place after the applicable retroactive date, but prior to the termination of coverage.

Under the terms of this claims-made policy, a written request seeking an offer for an extended reporting period from the first named insured must be received by The Medical Protective Company within thirty (30) days of the termination of policy coverage. If no such request is received within thirty (30) days of the termination of coverage, the right to purchase the extended reporting period endorsement will no longer exist, and The Medical Protective Company and/or National Fire & Marine Insurance Company will have no further duty to provide you with this coverage option.

EXCESS POLICY GUIDE

This Policy Guide has been developed to describe how your policy is formatted. This guide does not change any of the terms and conditions contained in the policy.

Your policy consists of the following items:

The Declarations: This page designates the first named insured, the policy number, the policy period, the coverages selected, the total premium, and the producer.

Schedules of Underlying Insurance: These schedules list the liability coverage(s) over which this policy will provide excess coverage.

Schedule of Insureds: These schedules define your coverage by designating who will be insured under a particular Insuring Agreement and what limits of liability will apply. If an Insuring Agreement is attached to your policy without a corresponding Schedule of Insureds, there is no coverage under that Insuring Agreement.

Insuring Agreements: These documents define the scope of the particular coverage that is being provided and any unique provisions (Additional Definitions, Additional Conditions, etc.) that will apply to it. For example, they indicate the types of claims that are covered and who is eligible to request indemnity under the policy. However, as mentioned above, these Insuring Agreements only provide coverage when attached to a corresponding Schedule of Insureds.

Defense and Supplemental Payments: If a claim or potential claim is covered under one of the Insuring Agreements, our Company will have a duty to both defend and, if necessary, pay damages on the Insured's behalf. This form defines the scope of our duty to defend an Insured in the event of a claim.

General Definitions: This form contains the definitions that apply to every Insuring Agreement under your policy, unless otherwise noted. Additional or alternative definitions can be found within the definitions section of the relevant Insuring Agreement. Each word or phrase listed in **bold print** has been specifically defined within the policy. If a word has not been bolded, then its commonly understood meaning will apply.

General Exclusions: This form contains exclusions that apply to every Insuring Agreement under your policy, unless otherwise noted. Additional exclusions may also be found within the *ADDITIONAL EXCLUSIONS* section of the relevant Insuring Agreement.

General Conditions: This form defines the general duties our Company and the Insureds owe to each other under the terms of this policy contract, such as the requirements for reporting claims, the duty to maintain underlying insurance, the duties of the first named insured, etc.

Endorsements: Endorsements modify the terms and conditions of all or part of the policy and become a part of your policy. If an endorsement modifies one or more parts of the policy, but less than the entire policy, the endorsement will specify which parts of the policy are modified. It is important to understand that this is also the only method by which the terms and conditions of your policy can be altered.

If you have any questions regarding a particular provision or the coverage that is being provided to you, please contact your producer. We appreciate your patronage.

EXCESS PROFESSIONAL LIABILITY INSURING AGREEMENT (CLAIMS-MADE)

NOTICE:

**This Insuring Agreement contains claims-made coverage.
Please read this policy carefully.**

In consideration of the payment of the premium due, and in reliance upon the representations of all Insureds, the Company and the Insureds agree as follows, subject to the terms and conditions of this policy, including the applicable limits of liability:

I. INSURING AGREEMENT - EXCESS LOSS

- A. The Company will pay, on behalf of any **scheduled excess professional liability insured**, including agents, all **excess loss** arising from a **health care event**. However, the **health care event** must have resulted from **professional services** rendered, or which should have been rendered, while the **scheduled excess professional liability insured** was employed by, or under contract with, any **scheduled excess professional liability insured**. For coverage to exist, the **excess loss** must also arise from an event that took place on or after the **retroactive date**. In addition, the **excess loss** must arise from a **claim** that was **first reported** during the **policy period**.
- B. All **claims** arising out of the same **health care event** will be deemed to have been made at the time the first such **claim** is made against any **Insured**.  - d. doing nothing to prejudice the **Company's** ability to investigate, defend, and/or manage any matter to which this policy applies;
 - e. submitting to recorded and/or sworn statements and to examinations under oath as requested by the **Company**; and,
 - f. promptly producing, at the **Company's** request, any records, documents and other information in the **Insured's** possession, custody or control.
- 3. If a **claim** or **potential claim** is, or might be, covered under any other policy of insurance, the **Insured** shall promptly give notice to such other insurers. The **Insured** shall also provide the **Company** with copies of the applicable policies. The **Insured** shall further act in good faith to enforce any rights held under such policies, including the right to a defense.

D. Premiums.

- 1. The **Company's** obligation to perform any duty under the policy is strictly conditioned upon the payment of the premium when due. Similarly, the **Company's** obligation to perform any duty pursuant to a renewal of coverage provided under the policy shall be strictly conditioned upon the payment of the renewal premium when due. Therefore, this policy shall not be deemed to have been issued, delivered, or renewed and shall not be applicable to any matter which would otherwise be covered herein, until:
 - a. the premium has been paid in full; or,
 - b. if the **Company** has agreed to finance the policy, the first installment has been paid in full.If payment is made by check, electronic transfer or money order, it shall not be considered "paid in full" until honored by the payor's bank.
- 2. Any premium designated as "deposit premium" is merely a deposit on the actual amount owed. At the close of the **policy period**, the **Company** will compute the earned premium for that period. The "deposit premium" will then be credited to that amount. If the "deposit premium" exceeds the earned premium, the **Company** will refund the difference to the **first named insured**. If the earned premium exceeds the "deposit premium", the **Company** will bill the **first named insured** for the difference.
- 3. The **first named insured** shall maintain records of the information necessary for premium computation. The **first named insured** shall send copies of these records to the **Company** at the end of the **policy period** as directed by the **Company**. Such information shall be subject to audit and verification by the **Company**.

E. Inspection and Audit.

The **Company** shall be permitted, at its own discretion and for its own benefit, to audit an **Insured's** property, operations, and any business records. The **Company** shall also have the right to obtain a copy of any current or prior insurance records. Any findings or recommendations made by the **Company** as a result of an audit shall inure solely to the **Company's** benefit. As a result, they may not be used as evidence of the **Insured's** compliance with any safety regulations or other industry standards.

F. Other Insurance.

Unless otherwise noted in an Insuring Agreement:

1. If any other valid and collectible insurance is available to any **Insured** with respect to any liability arising from a **claim** or suit which is covered by this policy, and such other insurance is afforded under a policy or **extended reporting period** issued by a past, present or future parent, subsidiary or affiliate of the **Company**:
 - a. if the **Insured** has secured coverage from the **Company** or any of its affiliates on a **non-standard policy**, then the **Company's** duty to pay **excess loss** will be confined to the **non-standard policy**;
 - b. if subsection (a) does not apply, and an **Insured** is named as a specific named insured under any other valid and collectible insurance available to that **Insured**, then any duty to pay **excess loss** is confined to the policy where the **Insured** is specifically named;
 - c. if neither subsection (a) nor (b) above apply, any duty to pay **excess loss** will be confined to the policy containing the largest applicable limit.
2. If any other valid and collectible insurance is available to any **Insured** with respect to any liability arising from a **claim** or suit which is covered by this policy, and such other insurance is not afforded under a policy or **extended reporting period** issued by a past, present or future parent, subsidiary or affiliate of the **Company**, then this insurance will be excess over such other insurance even if such other insurance is stated to be primary, excess, contingent or otherwise. The **Company** will pay only the **Company's** share of the **excess loss**, if any, that exceeds the sum of:
 - a. the total amount that all such other insurance would pay for the **excess loss** in the absence of this insurance; and,
 - b. the total of all deductible and self-insured amounts under all such other insurance.
3. If the **Insured** has such other insurance that applies on the same basis, whether excess or primary, the **Company's** liability for **excess loss** shall not exceed:
 - a. the amount that would be payable if each insurer contributed by equal shares until the lowest limit contained in any applicable policy was exhausted or the entire **excess loss** was paid, whichever occurred first. If any **excess loss** remains, the **Company** will continue to contribute by equal shares until any of the following occurs:
 - (1) the applicable limits from this policy are exhausted,
 - (2) the limits of all applicable policies have been exhausted, or
 - (3) the entire amount is paid.This method shall only apply if all other such insurance provides for contribution by equal shares; or,
 - b. the ratio between the limit of liability available to the **Insured** under this policy and the total limit of liability under all applicable policies until the applicable limits from this policy are exhausted or the entire **excess loss** is paid. This method shall only apply if any applicable policy does not provide for contribution by equal shares.
4. The **Company** will have no duty to defend the **Insured** against any suit if any other insurer has a duty to defend the **Insured** against that suit. If no other insurer defends, the **Company** will undertake to do so, but the **Company** will be entitled to all of the **Insured's** subrogation rights against all those other insurers to the extent of any payments made, or as allowed by law.
5. This condition shall not apply if such other valid insurance is written to be specifically excess of this policy.

G. Maintenance of Scheduled Coverages.

1. The **scheduled coverages** shall be maintained by the **Insured** at all times and the **Insured** shall do nothing to restrict the terms or limits provided by the **scheduled coverages**.
2. The limits of insurance applicable to the policies listed on the Schedule of Underlying Insurance may not be reduced or exhausted for any reason other than the payment of judgments or settlements which would be covered by the provisions of this policy.

3. The limits of insurance applicable to any Self Insured Retention (SIR) listed in the Schedule of Underlying Insurance may not be reduced or exhausted for any reason other than the payment of judgments or settlement which would be covered by the provisions of this policy and **claims expense** associated with those payments, if **claims expense** depletes the SIR.
4. If the **Insured** fails to maintain or meet all terms and conditions of a **scheduled coverage** or if the company, trust or other entity providing the **scheduled coverage** shall become insolvent, the **Company's** duty to pay excess loss will apply as if the **scheduled coverage** had been so maintained.

H. Reduction or Exhaustion of Scheduled Limits.

If the **Insured's** applicable **scheduled limit** has been reduced or exhausted by the payment of **claims** for events that would otherwise be eligible for coverage under this policy, the **Company** will pay excess loss as if the **scheduled coverage** was not exhausted, in addition to any applicable deductible.

I. Subrogation.

The **Company** shall be subrogated to the rights of any **Insured** to the extent of any payments made, or as allowed by law. The **Insured** shall do nothing to prejudice those rights. At the **Company's** request, the **Insured** shall bring suit or transfer those rights to the **Company**. The **Insured** shall also help the **Company** enforce its rights.

J. First Named Insured.

1. The **first named insured** shall act as the agent of all **Insureds** with respect to this policy, with full authority to bind all **Insureds**. This shall include, but is not limited to:
 - a. receipt of notices of cancellation or nonrenewal;
 - b. requesting or receiving endorsements issued to form a part of this policy;
 - c. payment of premiums due;
 - d. receiving return premium; and,
 - e. receiving and/or responding to an offer for an **extended reporting period** for any **Insured**.
2. The **first named insured** shall notify in writing the **Company** and all **Insureds** of any changes that might affect the insurance provided under this policy.

K. Policy Territory.

Unless otherwise noted in an Insuring Agreement, this policy shall only apply to a **claim** filed within the United States, including its territories and possessions. However, unless otherwise noted, a **claim** may be based upon **professional services** provided anywhere in the world so long as the **Insured** had prior approval to provide such services from the appropriate governmental authorities and the **Company**.

L. Cancellation, Nonrenewal and/or Termination of Coverage.

1. This policy may be canceled by the **first named insured**. The **first named insured** shall mail written notice to the **Company** requesting cancellation. The cancellation shall be effective on the date requested by the **first named insured** or the date the notice is received by the **Company**, whichever is later.
2. Any coverage contained within this policy may be terminated by the **first named insured**. The **first named insured** shall mail written notice to the **Company** requesting the coverage termination. The termination shall be effective on the date requested by the **first named insured** or the date the notice is received by the **Company**, whichever is later.
3. This policy, or any coverage contained therein, may also be canceled, terminated or nonrenewed by the **Company**. The **Company** will send notice to the **first named insured** at the last address on record with the **Company**.
4. If the **first named insured** cancels this policy, or terminates any coverage contained therein, earned premium shall be computed in accordance with the standard short rate tables and procedure. If the **Company** cancels this policy, or terminates any coverage contained therein, earned premium shall be computed pro rata. Premium adjustments shall be made within a reasonable period of time after cancellation. However, payment or tender of unearned premium shall not be a condition of cancellation.
5. If the **Company** cancels or nonrenews an **Insured's** policy for any reason other than non-payment of premium, the **Company** shall provide written notice to the **first named insured** not less than thirty (30) days prior to the effective date of such cancellation or nonrenewal. If the **Company** cancels an **Insured's** policy for nonpayment of premium, the

Company shall provide written notice to the **first named insured** not less than ten (10) days prior to the effective date of such cancellation or nonrenewal.

6. If the **Company** cancels or nonrenews an **Insured's** policy, the **Insured's** coverage under that policy shall terminate on the earlier of:
- the date stated on the cancellation or nonrenewal notice; or,
 - the date the **Insured** procures replacement coverage.

M. Modifications.

Except as provided herein, this policy may not be modified except by written endorsement attached to and made a part of this policy by the **Company**. The **Company's** decision not to insist on the **Insured's** compliance with any provision of this policy shall not operate to waive, modify, or void the provision.

N. Bankruptcy, Insolvency or Non-Payment by an Insured.

The filing of bankruptcy by, or the insolvency of or non-payment by, an **Insured**, or by any other entity providing a **scheduled coverage**, shall not act to modify any duty owed by the **Insured** or the **Company** under the policy. Under no circumstances will such bankruptcy, insolvency or non-payment require the **Company** to assume, or in any way be responsible for, any **scheduled coverage**, or otherwise assume any obligation owed by any **Insured** under this policy. Unless prohibited by law, the **Company** will have no duty to pay any **excess loss** for any **claim** unless the **Insured**, or any other entity providing **scheduled coverage**, pays the limits of liability of the **scheduled coverage** in full.

O. Non-assignability.

No interest of an **Insured** under this policy shall be assignable without the prior written consent of the **Company**. However, if the **Insured** is a person and dies, the coverage afforded by this policy shall inure to the benefit of that **Insured's** estate.

P. Separation of Insureds.

Except for the applicable limits of liability and any duties specifically assigned to the **first named insured**, this policy applies:

- separately to each **Insured** against whom a **claim** is made; and,
- as if each **Insured** were the only **Insured** under this policy.

Q. Action Against the Company.

- No action shall lie against the **Company** unless each **Insured** is in full compliance with all of the terms of this policy.
- No person shall have the right to join the **Company** as a party to a **claim** to determine the **Insured's** liability under this policy. Further, an **Insured** shall not interplead the **Company** into a **claim**.
- No action shall lie against the **Company** until the amount of **excess loss** has been finally determined by entry of judgment or written agreement between the **Insured**, the claimant and the **Company**. Once the amount of **excess loss** has been finally determined, the claimant shall be entitled to recover under the terms of this policy.

R. Arbitration.

The **Company** and the **Insured** agree that any dispute, **claim** or controversy arising out of, relating to, or in connection with this policy, whether brought by or on behalf of the **Insured**, **Company**, or any other party, that the **Company** may elect to submit any such dispute, **claim** or controversy to binding arbitration, in accordance with Title 9 USC Sec. 1 et seq (the Federal Arbitration Act) and shall be governed by the Commercial Arbitration Rules of the American Arbitration Association.

The arbitration shall be presided over by three arbitrators chosen from the Commercial Insurance Panel of the American Arbitration Association. The arbitrators shall be governed by the law of the state of the address of the **first named insured**, as set forth on the Declarations. The arbitration shall take place in the county that the capital of that state is located.

The arbitrators shall have the discretion to order pre-arbitration discovery, including an exchange of documents and

deposition of potential witnesses. Each party shall bear its own arbitration costs and expenses including attorneys' fees, unless otherwise provided by law.

Any arbitration award shall be in writing and shall specify the factual and legal bases of the award. Judgment on the award rendered by the arbitrator shall be final and may be entered in any court having jurisdiction thereof. Furthermore, this arbitration provision shall be a complete defense to any suit, action or proceeding in any federal, state or local court or before any administrative tribunal with respect to any dispute, **claim** or controversy arising out of, relating to or in connection with this policy.

S. Terms Conform to Statute or Regulation.

If any term of this policy, or any duty arising therefrom, would cause the **Company** to violate any federal, state or local law or regulation, the policy is amended to bring the **Company** into compliance with such statute or regulation.

T. Fraud Warning.

Any person who knowingly and with intent to injure, deceive, or defraud any insurance company or other person files an application for insurance containing any materially false information or fails to provide complete information or conceals, for the purpose of misleading information concerning any fact material thereto, commits a fraudulent insurance act, which is a crime, and may be prosecuted under state law and may be guilty of a felony and subject to criminal and civil penalties, fines, denial of insurance or confinement in prison.

**NOTICE OF AVAILABLE COVERAGE UNDER THE TERRORISM RISK INSURANCE
PROGRAM REAUTHORIZATION ACT OF 2007**

**– IMPORTANT –
THIS NOTICE DISCUSSES A DECISION
YOU MUST MAKE ON COVERAGE FOR ACTS OF TERRORISM**

DATE OF ACT: **December 31, 2007**

NAMED INSURED: **Laser Spine Institute, LLC**

LINES OF COVERAGE: **Excess General Liability**

PREMIUM FOR COVERAGE FOR AN “ACT OF TERRORISM”: **\$ 150.00**

The tragic events of September 11, 2001 have impacted our country in many ways. The insurance industry responded immediately to these events, and has provided billions of dollars of payments. However, the possibility of future attacks has created what Congress describes as an “unprecedented financial risk” with a significant impact on the economy. As a result, Congress passed the Terrorism Risk Insurance Act of 2002 (The Act). The Act was extended in December of 2005 for an additional two years. Congress recently amended the Act and extended the program for an additional seven years to December 31, 2014, under the Terrorism Risk Insurance Program Reauthorization Act of 2007. This Notice informs you of your rights and obligations under the Act.

You are hereby notified that under the Act, as amended, that you have the right to purchase insurance for losses resulting from acts of terrorism, as defined in Section 102(1) of the Act.

WHAT IS AN “ACT OF TERRORISM”?

- An “act of terrorism” is defined as:

Any act that is certified by the Secretary of the Treasury in concurrence with the Secretary of State and the Attorney General of the United States pursuant to the Act:

- (1) To be an act of terrorism;
- (2) To be a violent act or an act that is dangerous to (a) human life; (b) property; or (c) infrastructure;
- (3) To have resulted in damage within the United States, or outside the United states in the case of certain aircraft or vessels, or on the premises of a US mission; and
- (4) To have been committed by an individual or individuals as part of an effort to coerce the civilian populations of the US or to influence the policy or affect the conduct of the US Government by coercion.

- No act will be certified as described above by the Secretary of Treasury as an “act of terrorism” if:

- (1) It does not meet the above criteria;

(2) The act is committed as part of the course of war declared by Congress (other than with respect to Workers' Compensation); or,

(3) Property and casualty losses resulting from the act, in the aggregate, do not exceed \$5,000,000.

As used in this Notice, the phrases "act of terrorism" or "acts of terrorism," when set out in quotation marks, are to be construed as defined above.

WHAT IS AN "INSURED LOSS"?

An "insured loss" is any loss (other than amounts attributable to punitive damages) that is caused by an "act of terrorism" (including an act of war, in the case of workers' compensation) that is covered by primary or excess property and casualty insurance issued by an insurer if such loss:

(1) occurs within the United States,

(2) occurs to an air carrier (as defined in 49 U.S.C. § 40102), to a U.S. flag vessel (or a vessel based principally in the U.S., on which U.S. income tax is paid and whose insurance coverage is subject to regulation in the U.S.), or

(3) occurs at the premises of any U.S. mission.

As used in this Notice, the phrases "insured loss" or "insured losses," when set out in quotation marks, are to be construed as defined above.

THE FEDERAL GOVERNMENT'S SHARE OF PAYMENTS FOR "INSURED LOSS"

You should know that where coverage is provided by this policy for losses resulting from certified acts of terrorism, such losses may be reimbursed by the United States Government under a formula established by federal law. However, your policy may contain other exclusions which might affect your coverage, such as an exclusion for nuclear events. Under the formula, the United States Government generally reimburses 85% of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company providing the coverage. The deductible will be 20% of our direct earned premium for "insured loss". The premium charged for this coverage is provided below and does not include any charges for the portion of loss that may be covered by the federal government under the Act.

You should also know that the Act, as amended, contains a **\$100 billion cap** that limits the United States Government reimbursement as well as insurers' liability for losses resulting from certified acts of terrorism when the amount of such losses in any one calendar year exceeds the **\$100 billion cap**. If the aggregate insured losses for all insurers exceed the **\$100 billion cap**, and we have met our insurer deductible under the Terrorism Risk Insurance Act, your coverage may be reduced. We may not be liable under our policies for our portion of such losses that exceed such amount. The amounts we pay to you under your policy may be reduced as a result. In addition, we may reserve our rights when we make payments to you, and we may require an undertaking from you to return any overpayment to us.

For purposes of determining such deductibles, "direct earned premium" means only the premiums earned on the commercial lines of property and casualty insurance covered by the Act for risks inside the U.S. or vessels, aircraft and foreign missions outside the U.S. covered by the Act.

WHAT MUST YOU DO?

As required by the Act, you are hereby notified that under the Act, as amended, that you have a right to purchase insurance coverage for losses resulting from acts of terrorism as defined in Section 102(1). This Notice constitutes an offer of coverage for losses arising out of an “act of terrorism” and presents our premium charge for that coverage.

This coverage is automatically included in your policy. In order to decline to purchase this coverage, you must notify the company in writing that you have chosen NOT to purchase this coverage. If you decide to decline the terrorism coverage you must notify us of your decision at the time of binding the remainder of coverage.

The amount of premium you must pay for adding this coverage is shown above. The premium charged for this coverage does not include any charges for the portion of loss covered by the federal government under the act.

You are hereby notified that under the Act, as amended on December 31, 2007, the definition of act of terrorism has changed. As defined in Section 102(1) of the Act, an "act of terrorism" is defined as any act that is certified by the Secretary of the Treasury- in concurrence with the Secretary of State and the Attorney General of the United States pursuant to the Act- to be an act of terrorism; to be a violent act or an act that is dangerous to (a) human life; (b) property; or (c) infrastructure; to have resulted in damage within the United States, or outside the United States in the case of certain aircraft or vessels, or on the premises of a US mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian populations of the US or to influence the policy or affect the conduct of the US Government by coercion.

may contain other exclusions which might affect your coverage, such as an exclusion for nuclear events. Under the formula, the United States Government generally reimburses 85% of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company providing the coverage. The Act, as amended, contains a **\$100 billion cap** that limits the United States Government reimbursement as well as insurers' liability for losses resulting from certified acts of terrorism when the amount of such losses in any one calendar year exceeds the **\$100 billion cap**. If the aggregate insured losses for all insurers exceed the **\$100 billion cap**, and we have met our insurer deductible under the Terrorism Risk Insurance Act, your coverage may be reduced.

This constitutes notice, as required, under the Terrorism Risk Insurance Act, as extended on December 22, 2005, and amended on December 31, 2007. Any losses resulting from certified acts of terrorism under this policy coverage may be partially reimbursed by the United States government, may be subject to a \$100 billion cap that may reduce your coverage. CAP ON LOSSES FROM CERTIFIED ACTS OF TERRORISM ENDORSEMENT
(NO DROPDOWN)
EXCESS COMMERCIAL GENERAL LIABILITY INSURING AGREEMENT***

In consideration of the payment of the premium charged and in reliance upon the representation of all **Insureds**, the **Company** and the **Insured** agree to amend the Excess Commercial General Liability Insuring Agreement as follows:

The following exclusion is added to both *EXCLUSIONS - COVERAGE A: BODILY INJURY AND PROPERTY DAMAGE LIABILITY* and *EXCLUSIONS - COVERAGE: B PERSONAL AND ADVERTISING INJURY*:

Any claim, **bodily injury** or **property damage** arising, directly or indirectly, out of any **other act of terrorism**. However, with respect to any **other act of terrorism**, this exclusion applies only when one or more of the following are attributed to such act:

1. The total of **insured damage** to all types of property exceeds \$27,500,000,000 for related incidents that occur within a 72-hour period. In determining whether the \$27,500,000,000 threshold is exceeded, the **Company** will include all **insured damage** sustained by property of all persons and entities affected by the terrorism and business interruption losses sustained by owners or occupants of the damaged property. For the purpose of this provision, **insured damage** means industry-wide insured losses or damage that is covered by any insurance plus damage that would be covered by any insurance but for the application of any terrorism exclusions; or
2. Fifty or more persons sustain death or **serious physical injury** for related incidents that occur within a 72-hour period. For the purposes of this provision, **serious physical injury** means:
 - a. physical injury that involves a substantial risk of death; or
 - b. protracted and obvious physical disfigurement; or

For the purposes of this exclusion, any **bodily injury or property damage** means any **bodily injury or property damage** covered under any Insuring Agreement to which this endorsement is applicable, and includes but is not limited to **bodily injury, property damage, personal injury and advertising injury, products completed operations hazard**, clean-up costs or environmental damage as may be defined in any applicable Insuring Agreement.

In the event of any incident of an **other act of terrorism** that is not subject to this exclusion, coverage does not apply to any loss or damage that is otherwise excluded under this Insuring Agreement.

With respect to any one or more **certified acts of terrorism**, the **Company** will not pay any amounts for which the **Company** is not responsible under the terms of the federal Terrorism Risk Insurance Act of 2002 (including subsequent acts of Congress pursuant to the Act) due to the application of any clause which results in a cap on the **Company's** liability for payments for terrorism losses.
